

California State Fair Art Docent Program

Do you love the California State Fair? Do you love Fine Arts and Crafts? Do you love to share the joy of art with everyone?

The 2020 California State Fair Art Docent Program is the place for you!

What is a Docent?

- Docents are volunteer teachers who provide learning experiences for Art visitors in the form of discussion, tours, and facilitation of art sales.
- Docents help enhance the visitor experience.
- They provide a vital link between art and the visitors.
- A background in art is not required.
- A passion for life-long learning is required.
- Assist with pre-fair activities such as judging and artwork delivery.
- We will train you!
