

# 2019 Bear Cup - Fortnite Rules

---

## Fortnite Solo 1v1 July 14th, 2019 Tournament starts at 1pm

Registration capped at 64 players, first come, first served.

Format: Single Elimination Bracket, 2/3 games, finals 3/5 games

System: PC.

You must have a Fortnite account on PC or Xbox Live to register.

Keyboards, mice, and headsets will be provided courtesy of ASUS. You may bring a controller with cables if prefer to use one. If you do not have a controller, we will do our best to provide you with one when your match is called.

### Game Rules:

Each Player will be matched up with an opponent and queue together as a Duo (OC does a Duo tournament, so players will be matched in squads). Placement does not matter; the objective is to get more eliminations than your opponent in each game. Competitors will play two games, and the player with the higher combined score from the two games, advances in the bracket. A player is not allowed to obstruct their duo partner in any way.

Tournament officials can review game replay files if necessary, and tournament officials can decide if a match needs to be either replayed or forfeited.

### Tie Breaker

If both players are tied in kills after 2 games, a third game will be played. The player that gets 5 kills first, wins the tiebreaker and the match. If neither player gets 5 kills, then the player with the highest kills wins. If the players are still tied in the third game, then a fourth tiebreaker game will be played with the same rules. This is repeated until a winner is determined.
