California Agriculture Fair Season

On behalf of the State of California, it is my pleasure to welcome you to the 2020 fair season.

When we talk about building a California For All, our network of fairs provides an excellent example. Fairs serve communities throughout our great state, and they showcase the breadth of our diversity, inclusivity and innovation.

California's fairs introduce our children to a wondrous agricultural bounty - a point of pride for the Golden State. The livestock competitions, educational exhibits, exhilarating carnival rides, live performances, entertainment, and offerings from local vendors featured at our fairs highlight California's cultural heritage.

As exhibitors, the fair provides you with the opportunity to showcase your hard work and commitment. Through your exhibits, the community learns more about California and its agriculture and values.

Thank you for your support, participation, and for playing a vital role in California's agricultural community.

Sincerely,

GAVIN NEWSOM
Governor of the State of California

December 16, 2019

We can take pride in the fact that California fairs are world leaders in providing educational and competitive exhibits that showcase local communities and their talents, as well as providing a venue for all cultures and lifestyles to promote diversity within the community.

California fairs encourage their communities to learn more about the bounty of California agriculture. They foster the reconnection of consumers to the land and to the people who produce their food.

Fairs are a tradition for families and communities to come together to create lasting memories. However, our fairgrounds are much more than just a place to celebrate. We cannot overlook the events that take place at our fairgrounds throughout the year; from crab feeds to weddings and, as needed during emergency situations, fire camps and evacuation centers.

As we look ahead to the year 2020, I would like to express my appreciation for all fairground's staff, volunteers, and others who share a commitment to serve their local communities. Thank you all very much. Your support of California fairgrounds is invaluable.

Yours truly,

Karen Ross
Secretary

RULES & REQUIREMENTS

1. **Brewers must be:**
 - a. Official residents of California,
 - b. The brewery must hold a valid commercial brewing license and
 - c. Brewers must be at least 21 years of age.
 - d. Persons submitting an entry must have a direct association with the brewing of the entry, being a brewer, owner, or management. Distributors are not considered directly related to the production of beer and may only submit entries in the names of their clients, with their clients' approval.
 - e. Contract brews may only be entered by the brewery which produced them.
 - f. Entrants or their qualified representative may participate in the judging on any panel they are not entered.

2. **Eligibility Requirements** in this guide build on the pioneering work of BJCP, GABF, and Brewers Association style guidelines. We appreciate their contributions and efforts to the beverage industry.

Beer: At least 51% of the fermentable carbohydrates must be derived from malted grains. Beverages made with malt substitutes, honey, fruit, or fruit juices, or anything other than malted grains as the majority of fermentable sugars are not eligible to participate.

Cider/Perry: Cider is fermented apple juice. Perry is fermented pear juice. There are two categories for cider and perry: Standard Cider and Perry (Category C1) and Specialty Cider and Perry (Category C2). The Standard category covers ciders and perries made primarily or entirely from the juice of apples or pears (but not both at once). A simple apple soda or wine cooler character is not desirable in a cider or perry.

Mead: Mead is made primarily from honey, water and yeast. Some minor adjustments in acidity and tannin can be made with citrus fruits, tea, or chemicals; however, these additives should not be readily discernable in flavor or aroma.

3. Spirits, hard soda, hard water, and flavored malt beverages, including kombucha and most shandies and radlers, are not eligible to be entered in the State Fair competition.
4. No single brewing location nor a group that owns multiple breweries may enter more than a total of 20 beers combined.
5. A beer brand may not be renamed and entered into multiple categories, however the same beer brand can be entered into multiple categories. A separate entry fee must be paid for each additional category entered, and the minimum bottle, can, crowler, growler, or keg requirements still apply. Also you must not exceed the 20 maximum total entry limit.
6. Entries may be bottled, canned, crowlers, in growlers or kegged in either Cornelius or Sankey kegs.
7. **Do not remove any commercial bottle labels. Do not** black out any commercial or identifying designs or text on caps of entries. This facilitates the Cellar. Attach bottle labels to kegs in a secure manner allowing them to be easily read by competition officials so that appropriate code numbers can be placed on the keg. Shipping tape appears to have worked well. It helps to put them in plastic baggies also.
8. Attach the bottle labels in 12-14 pt. font or attach the bottle label from the competition website (copies are O.K.) to each bottle with **CLEAR** packaging tape. **NO Rubber Bands!** Place bottle label on kegs so it may be easily read when processed (Plastic bags may be used to keep forms dry).
9. An official entry shall consist of one of the following:
 - a. Four (4) 12/16/20 oz. bottles or cans
 - b. Four (4) 22/24 oz. bottles or cans
 - c. One (1) 5 gallon Cornelius or Sankey keg not to exceed 7.5 gallons
 - d. Four (4) 16 oz. or greater Crowlers
 - e. Two (2) 64 oz. Growlers
10. All judging will be done with panels combining qualified judges and commercial brewing peers. Brewers or judges may not judge on panels in which they have a conflict of interest. At least one judge who has been certified by the Beer Judge Certification Program will sit on each judging panel.

11. Beers will be disqualified for entry requirement infractions. These beers will be judged and will receive evaluations but will be ineligible for awards.
12. All beers will be decanted prior to presentation to the judges. Kegs will be served off 5' quarter inch tubing at 10 psi.
13. Most categories are divided into distinct styles and each beer will be judged as that style. When appropriate, be sure to indicate the style of each beer in the space provided on the entry forms. Entries that do not specify a style on the entry form may be disqualified at the discretion of the Organizing Committee. The Committee reserves the right to modify categories as needed.
14. Brewers are required to use online registration and payment at statefairbeer.com
15. Please include with shipment packaging or delivery, a summary of your entries. This can be printed from the online entry submission software.
16. No late entries will be accepted.
17. By submitting an entry to this competition the entrant:
 - a. Asserts that they have legal title to submit the entry.
 - b. Asserts the beer was brewed in the State and for commercial sale in the State of California.
 - c. Agrees to provide proof of such availability upon request.
 - d. Agrees to abide by the herein-stated policy on use of any awards or certificates in advertising.
 - e. All breweries that have entered the competition are invited and encouraged to attend the Brewmaster Award Ceremony and participate in the California Crafted Beer Festival at the California State Fair on August 2, 2020.

Advertising

The only allowable use of awards and certificates given by the California State Fair Commercial Craft Brewing Competition for advertising purposes shall be as follows:

18. Any advertising use must clearly state the name and year of the competition, (i.e., Best of California Commercial Craft Brew Competition 2020).
19. Must clearly state the level and category of award, (i.e., Silver Certificate Stouts... 1st Place Light Ales).
20. One Best of Show will be awarded by the judges of the competition; no one else may use the designation "Best of Show" in any advertising

using the name of this competition or its awards.

21. The phrase “Best Beer in California” shall not be used in conjunction with any awards made by this competition.

Failure to comply with these guidelines will be a basis for revocation of awards or certificates by organizers and the publication of such revocations to the general public.

Basis of Judging

The Commercial Craft Brewing Competition will use the American system of judging. This competition will follow the BJCP Competition Standards and is BJCP Sanctioned.

All judging will be double-blind. Entries will be cold stored until judging time. Judging will be overseen by a Lead Judge whose decisions will stand.

Brewery of the year shall be determined by the following medal (ribbon) point totals.

Gold = 8 pts.

Silver = 4 pts.

Bronze = 2 pts.

In case of a tie Brewery of the year will be determined by the strength (number of entries) of the category the beer was entered.

Awards Philosophy

The State Fair awards medals for excellence in 62 categories and does not necessarily award medals to the top three finishers in a particular category. When judges decide that a category contains three excellent examples of the style, they award gold, silver, and bronze medals for the first, second, and third place beers, respectively. If judges believe that no beer in the category meets the quality and style accuracy criteria, they may elect not to award a medal. Judges may award a silver or a bronze medal and yet not award a gold medal in a category. The award criteria are as follows:

Gold: A world-class beer that accurately exemplifies the specified style, displaying the proper balance of taste, aroma, and appearance.

Silver: An excellent beer that may vary slightly from style parameters while maintaining close adherence to the style and displaying excellent taste, aroma, and appearance.

Bronze: A fine example of the style that may vary slightly from style parameters and/or have minor deviations in taste, aroma, or appearance.

AWARDS

Gold, Silver & Bronze	Rosette
Best of Show Cider/Perry	Rosette
Best of Show Mead	Rosette
Best of Show Beer	Rosette and Golden Bear Trophy
Brewery of the Year	Golden Mash Paddle

Best of Show winner will have winning beer featured in California State Fair Beer Garden. Spectra by Comcast Spectacor will buy beer from the winner and arrange for shipping for the entire three weeks of fair.

Should you be awarded a Bronze, Silver, or Gold award for your entries, you may choose any of the following forms of recognition:

OPTION 1: An electronic version of an award-winning medal to use for digital marketing.

OPTION 2: Purchase of award seals for application to your product.

OPTION 3: The traditional award rosette for the award your entry received.

Following the competition, you will receive an award letter sent via email. Order form must be submitted to receive awards. Requested Awards will be mailed in August 2020 after the fair closes.

CATEGORIES

NEW for 2020:

Cider, Perry and Mead entries are now eligible for the Commercial Craft Beer Competition.

These categories are determined by a combination of many factors. **Some which include; GABF styles, BJCP styles, and importantly what brewers in the State of California are currently creating.** As such these style categories possibly could and should change from year to year.

The Head Judge reserves the right to combine classes when the number of entries warrants.

34. However, Juniors may elect to enter, exhibit and compete (animal or non-animal) in the Senior Department when the rules of that department, division or class allow for such. Such entries shall be restricted to:
 - a. A class for the exhibit that is not provided in the Junior Department.
 - b. Further, the exhibitor shall be responsible for payment of any fees, fines due or costs incurred by the State as a result of disqualification.

- b. The owner/exhibitor and members of his/her immediate family will not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by State Fair Management.
- c. State Fair Management reserves the right (but does not guarantee) to move entries up in placing after judging has taken place when an award void is created by a disqualification.
 - This process of moving up judged entries shall only take place, however, when it is clear what the judge's placing would have been had the disqualified entry not been in competition.
 - For example, when a Champion is disqualified, the Reserve shall move up and be named the Champion; however, no other changes shall take place below the Reserve Champion. The same shall apply in the case of a class, section or division winner when a 2nd place has been clearly indicated by the judge.
 - If it is not possible to clearly determine a new placing, no change shall take place.
 - When a placing change does take place the entry moving up will receive all the awards, appropriate titles and all premiums of the disqualified entry but will not receive any of the original placing awards or premiums won in the second category. This rule shall have no bearing on consideration in the placing of entries by judges. Ribbons shall be presented in the order of placing by the judges.

The management shall, however, pay third money to the fourth winner, etc., when the third winner is prohibited from receiving third cash award under the provisions of this rule. (Any entry or exhibit in which one or more members of the family described above has a financial interest shall be included in the limitation of not more than two cash awards per class.)

50. Management reserves the right to combine or to divide classes in a manner it deems necessary in order to assure adequate competition.
