California Agriculture Fair Season

On behalf of the State of California, it is my pleasure to welcome you to the 2020 fair season.

When we talk about building a California For All, our network of fairs provides an excellent example. Fairs serve communities throughout our great state, and they showcase the breadth of our diversity, inclusivity and innovation.

California's fairs introduce our children to a wondrous agricultural bounty - a point of pride for the Golden State. The livestock competitions, educational exhibits, exhilarating carnival rides, live performances, entertainment, and offerings from local vendors featured at our fairs highlight California's cultural heritage.

As exhibitors, the fair provides you with the opportunity to showcase your hard work and commitment. Through your exhibits, the community learns more about California and its agriculture and values.

Thank you for your support, participation, and for playing a vital role in California's agricultural community.

Sincerely,

A handwritten signature in black ink, appearing to read "Gavin Newsom", written over a horizontal line.

GAVIN NEWSOM
Governor of the State of California

CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

December 16, 2019

We can take pride in the fact that California fairs are world leaders in providing educational and competitive exhibits that showcase local communities and their talents, as well as providing a venue for all cultures and lifestyles to promote diversity within the community.

California fairs encourage their communities to learn more about the bounty of California agriculture. They foster the reconnection of consumers to the land and to the people who produce their food.

Fairs are a tradition for families and communities to come together to create lasting memories. However, our fairgrounds are much more than just a place to celebrate. We cannot overlook the events that take place at our fairgrounds throughout the year; from crab feeds to weddings and, as needed during emergency situations, fire camps and evacuation centers.

As we look ahead to the year 2020, I would like to express my appreciation for all fairground's staff, volunteers, and others who share a commitment to serve their local communities. Thank you all very much. Your support of California fairgrounds is invaluable.

Yours truly,

Karen Ross
Secretary

Teachers Section

Teachers may enter for their students; however, students should be a part of the entry process. Part of the Student Showcase experience is for students to learn how they would enter competitions and shows in the future and become a part of the art community. This guide provides tips for making the entry process smoother for teachers and schools entering the competition.

- Please enter all artwork under the student's name. Do not use the school's name in place of a first and/or last name. We want to be able to recognize each student who has artwork in the building.
 - The student's correct name and address are required to pay out any premiums or any artwork sales that the student may make.
- Please enter your school into the field for "School" when submitting each entry. This allows us to pull a list for just your school if necessary.
- Teachers need to come with a list of all students with accepted artworks to both artworks drop off and pick up to collect the artwork. The California State Fair staff will not keep a list of artwork that belongs to each group. You are responsible for this information. This allows State Fair Staff to confirm that you are both checking in and picking up the artwork of your students and your students only. You have a few options for this:
 - Have your receipt from confirmation entries; it is emailed send to you as soon as you complete the entry process. This print out will have to provide you with a list of all your students' names and the pieces that they entered.

- If your students each entered themselves, you might collect their confirmation receipts and bring those.
- Bring your class list with the accepted students highlighted.
- State Fair Admission tickets are available to be picked up at Artwork Drop Off by the students themselves only. For students who do not drop off their artwork, they may retrieve their admission tickets by going to Will Call at the Main Gate of the California State Fair before entering.
- **Woodworking Teachers:** Please note we have removed the size and weight restrictions for the woodworking division. The students are encouraged to enter all their projects. Please keep in mind that we will not accept multiple identical items.

Photographing Your Entry for the CA State Fair

- c. State Fair Management reserves the right (but does not guarantee) to move entries up in placing after judging has taken place when an award void is created by a disqualification.
 - This process of moving up judged entries shall only take place, however, when it is clear what the judge's placing would have been had the disqualified entry not been in competition.
 - For example, when a Champion is disqualified, the Reserve shall move up and be named the Champion; however, no other changes shall take place below the Reserve Champion. The same shall apply in the case of a class, section or division winner when a 2nd place has been clearly indicated by the judge.
 - If it is not possible to clearly determine a new placing, no change shall take place.
 - When a placing change does take place the entry moving up will receive all the awards, appropriate titles and all premiums of the disqualified entry but will not receive any of the original placing awards or premiums won in the second category.
