

#3
Dairy Center

*California is the nation's leading dairy state!
Approximately 1 out of every 5 dairy cows
in the U.S. lives in California.*

**a high-producing
dairy cow in one
day makes:**

**The greatest amount
of milk produced in
the U.S. one year was
59,298 pounds by a
Holstein cow named
Robthom Sue Paddy.**

**8.7 gal of
ice cream**

**10.5 lb of
cheese**

**4.8 lb of
butter**
