APPLICATION GENERAL GUIDELINES

Submission of an application does not guarantee a booking, nor does it constitute any guaranteed agreement to provide a stage, space, services, or compensation. Each performing group must have a separate application. Multiple groups under one name will not be accepted.

All applications **MUST** be filled out online and must be filled out completely with no missing information in order to be accepted. Application submission deadline is May 9, 2022. Once you submit your online application you will automatically receive confirmation that your application was successfully submitted. Please be sure to print your submission confirmation page which will include your specific application reference number. We will need that number to follow up on your application should there be any questions/issues.

FAXES, WALK-INS, MAILED OR EMAILED APPLICATIONS

If you are **NOT** booked, you will be notified by email and placed on our waiting list. If we receive cancellations, we will select from the waiting list. Applications received after the May 9th deadline will automatically be placed on the waiting list. Applications with the most availability have the best opportunity of getting booked to perform. Weekend spots are the hardest to accommodate. Each year we start the screening process over. SELECTION CRITERIA

We appreciate everyone who has the desire to play at the fair. We could not have grounds entertainment without our community groups so thank you. Community stages are meant to promote the talent in our communities across the state. This fair has extremely limited entertainment budgets so scheduling priority is given to groups that are willing to perform on a beautiful stage with professional lighting and sound, in front of large crowds and on a volunteer basis. After all of the volunteer groups have been booked, we look to the groups that will only play for compensation and make very careful, considerate choices with the few paid spots that are available.

Because of the volume of applications received, not all groups may be accommodated. Each application for performance time during the Fair is given consideration by Management on the following basis:

- Timely receipt of a completed application
- Uniqueness and appeal of performance
- Appropriateness of the performance for our Fair audience
- Overall presentation of promotional material
- For returning applicants, a satisfactory history of evaluation, as conducted by Fair Management

COMPENSATION, TRAVEL, LODGING AND MEALS

The California State Fair **does not** provide travel, lodging or meals for community acts booked to perform at the fair. Compensation for the community stages is limited and groups willing to perform for free public exposure are given priority booking.

STAGE AND TIME ALLOCATION POLICIES

Returning applicants might not get the same stage or time from year to year. We do try to accommodate all requests for dates and times, but please understand it is not always possible. Directors/performers check in with the Stage Manager at least 60 minutes prior to your performance time. All songs must be on Mp3 technology (iPod, cell phones, etc.) with the following requirements.

- Be prepared to facilitate your own music
- Appropriate USB cord
- Backup copy
- Battery fully charged to accommodate full set

CANCELLATIONS

If you need to **CANCEL** your performance, your **Notice of Cancellation** must be in writing, via email, to entertainment@calexpo.com, 48 hours prior to performance date to allow arrangements to be made for replacements. Notification may first be made by telephone call; however, the written cancellation must follow. Performers who fail to appear without adequate advance notification will not be allowed to perform at future Fairs. If you cancel during the run of Fair, it must be 48 hours before you are scheduled to perform.

Misrepresentation of your group on the application, or in photographs accompanying the application, is grounds for cancellation. The California State Fair reserves the right to select acts that it deems most appropriate.

PERFORMANCE POLICIES AND EVALUATIONS

The Fair is a family event. Attire and image of all performers, as well as content of performance, must be family friendly. Shirts and shoes must be worn at all times. The Fair Management has the right to monitor sound levels and make adjustments at its sole discretion. To produce a quality, attractive, family-oriented experience for our patrons, and to determine future eligibility to perform, all performances are evaluated during the Fair. It is the performance group director's responsibility to inform all performers of the impact these evaluations have on future participation at the Fairgrounds. These evaluations are based on the following:

- Timely arrival of group
- Organization of the group
- Attitude and professionalism of performers and directors
- Adherence to performance rules & regulations, along with general Fair rules & regulations
- Adherence to scheduled time
- Audience response
- Overall performance

Please see section "Prohibited Items and Activities" in the Entertainer Handbook for the complete list of prohibited items and activities.

If we experience inclement weather or in case of an emergency, and it is the Fair's decision to stop a show on any stage, or stages, we cannot guarantee that we will be able to rebook a performance. If you are cancelled, and want to be rebooked, please contact the Entertainment Department.
