

2023 SPONSORSHIP OPPORTUNITIES

Agricultural Heritage Club

The California Agricultural Heritage Club is a prestigious group of families and businesses who are descendants of pioneer ranches, farms, and agribusinesses of early California. Their dedication to preserving agriculture's heritage as well as moving the industry forward has made California a proud leader in food production and agriculture. The club's purpose is to recognize families and businesses that have maintained a financial responsibility in agriculture for at least 100 years.

This year's inductees and members will be honored on Tuesday, July 25, 2023 at a special breakfast and awards presentation. Each inductee will be presented with a plaque honoring their family or business.
