RULES & REQUIREMENTS

1. Brewers must be:
 - a. Official residents of California.
 - b. The brewery must hold a valid commercial brewing license.
 - c. Brewers must be at least 21 years of age.
 - d. Persons submitting an entry must have a direct association with the brewing of the entry, being a brewer, owner, or management. Distributors are not considered directly related to the production of beer and may only submit entries in the names of their clients, with their clients' approval.
 - e. Contract brews may only be entered by the brewery which produced them.
 - f. Entrants or their qualified representative may participate in the judging on any panel they are not entered.
2. **Eligibility Requirements** in this guide build on the pioneering work of BJCP, GABF, and Brewers Association style guidelines. We appreciate their contributions and efforts to the beverage industry. **Beer:** At least 51% of the fermentable carbohydrates must be derived from malted grains. Beverages made with malt substitutes, honey, fruit or fruit juices, or anything other than malted grains as the majority of fermentable sugars are not eligible to participate.
3. **Not eligible:** Mead, spirits, hard soda, hard water, and flavored malt beverages and most shandies and radlers are not eligible to be entered in the 2023 CA State Fair competition.
4. No single brewing location nor a group that owns multiple breweries may enter more than a total of 20 beers combined.
5. A beer brand may not be renamed and entered into multiple categories, however the same beer brand can be entered into multiple categories. A separate entry fee must be paid for each additional category entered, and the minimum bottle, can, crowler, growler, or keg requirements still apply. Also you must not exceed the 20 maximum total entry limit.
6. Entries may be bottled, canned, crowlers, in growlers or kegged in either Cornelius or Sankey kegs.
7. **Do not remove any commercial bottle labels. Do not** black out any commercial or identifying designs or text on caps of entries. Attach bottle labels to kegs in a secure manner allowing them to be easily

read by competition officials so that appropriate code numbers can be placed on the keg. Shipping tape appears to have worked well. It helps to put them in plastic baggies also.

8. Attach the bottle labels in 12-14 pt. font or attach the bottle label from the competition website (copies are O.K.) to each bottle with **CLEAR** packaging tape. **NO Rubber Bands!** Place bottle label on kegs so it may be easily read when processed (Plastic bags may be used to keep forms dry).
9. An official entry shall consist of one of the following:
 - a. Four (4) 12/16/20 oz. bottles or cans
 - b. Four (4) 22/24 oz. bottles or cans
 - c. One (1) 5 gallon Cornelius or Sankey keg not to exceed 7.5 gallons
 - d. Four (4) 16 oz. or greater Crowlers
 - e. Two (2) 64 oz. Growlers
10. All judging will be done with panels combining qualified judges and commercial brewing peers. Brewers or judges may not judge on panels in which they have a conflict of interest. At least one judge who has been certified by the Beer Judge Certification Program will sit on each judging panel.
11. Beers will be disqualified for entry requirement infractions. These beers will be judged and will receive evaluations but will be ineligible for awards.
12. All beers will be decanted prior to presentation to the judges. Kegs will be served off 5' quarter inch tubing at 10 psi.
13. Brewers are required to use online registration and payment at www.CAStateFair.BrewCompetition.com
14. Most categories are divided into distinct styles and each beer will be judged as that style. When appropriate, be sure to indicate the style of each beer in the space provided on the entry forms. Entries that do not specify a style on the entry form may be disqualified at the discretion of the Organizing Committee. The Committee reserves the right to modify categories as needed.
15. Please include with shipment packaging or delivery, a summary of your entries. This can be printed from the online entry submission software.
16. No late entries will be accepted.
17. By submitting an entry to this competition the entrant:
 - a. Asserts that they have legal title to submit the entry.

Failure to comply with these guidelines will be a basis for revocation of awards or certificates by organizers and the publication of such revocations to the general public.

Basis of Judging

The Commercial Craft Brewing Competition will use the American system of judging. This competition will follow the BJCP Competition Standards and is BJCP Sanctioned.

All judging will be double-blind. Entries will be cold stored until judging time. Judging will be overseen by a Lead Judge whose decisions will stand.

Brewery of the year shall be determined by the following medal (ribbon) point totals:

Gold (1st) = 8 pts.

Silver (2nd) = 4 pts.

Bronze (3rd) = 2 pts.

In case of a tie Brewery of the Year will be determined by the strength (number of entries) of the category the beer was entered.

Awards Philosophy

The California State Fair awards medals for excellence in 62 categories and does not necessarily award medals to the top three finishers in a particular category. When judges decide that a category contains three excellent examples of the style, they award gold, silver, and bronze medals for the first, second, and third place beers, respectively. If judges believe that no beer in the category meets the quality and style accuracy criteria, they may elect not to award a medal. Judges may award a silver or a bronze medal and yet not award a gold medal in a category.

The award criteria are as follows:

Gold: A world-class beer that accurately exemplifies the specified style, displaying the proper balance of taste, aroma, and appearance.

Silver: An excellent beer that may vary slightly from style parameters while maintaining close adherence to the style and displaying excellent taste, aroma, and appearance.

Bronze: A fine example of the style that may vary slightly from style parameters and/or have minor deviations in taste, aroma, or appearance.

AWARDS

Gold (1st), Silver (2nd) & Bronze (3rd).....Rosette
Best of Show Beer Rosette and Golden Bear Trophy
Brewery of the YearGolden Mash Paddle

Best of Show winner will have winning beer featured in the Best Of California Magazine and will be served at the California State Fair Beer Garden. OVG will buy beer from the winner and arrange shipping for the entire three weeks of Fair.

Should you be awarded a Bronze, Silver, or Gold award for your entries, you may choose any of the following forms of recognition:

OPTION 1: An electronic version of an award-winning medal to use for digital marketing.

OPTION 2: Purchase of award seals for application to your product.

OPTION 3: The traditional award rosette for the award your entry received.

Following the competition, you will receive an award letter sent via email. Order form must be submitted to receive awards. Requested Awards will be mailed in August 2023 after the Fair closes.

CATEGORIES

The following categories are determined by a combination of many factors, including BJCP, GABF, and World Cup style parameters.

As such, these style categories possibly could and should change from year to year.

The Head Judge reserves the right to combine classes when the number of entries warrants.
