**The CA State Fair Announces Gate Closure at 8 PM on Final Day: A Reminder for Fairgoers to Come Early and Enjoy the Festivities to the Fullest**

**SACRAMENTO** — The CA State Fair & Food Festival announces an early closing on the last day, Sunday, July 30<sup>th</sup>. The **gates will close at 8 PM**. In addition, **parking lots will also close at 7 PM, and there will be no handstamps after 6 PM**.

In light of the early closing time on closing night, we encourage all fairgoers to plan their visit accordingly, especially those who have reserved tickets to the Trace Adkins concert Sunday at 8 PM.

"With cooler weather, the final days of the 2023 CA State Fair & Food Festival are expected to be at capacity," said Tom Martinez, CEO of Cal Expo & California State Fair. "Our priority is to ensure everyone has a chance to savor those last moments of the Fair in the most enjoyable way possible. The early closing time will help us manage the flow of fairgoers and ensure an orderly conclusion to this incredible event."

To expedite getting through the lines quickly, we remind fairgoers of the clear bag policy. The under 18 policy will continue be enforced on the final two days of the CA State Fair & Food Festival.

For more information about the updated hours for closing night, please visit the fair's website at [www.CalExpoStateFair.com](http://www.CalExpoStateFair.com).
