JUNIORS ENTERING SENIOR DEPARTMENT

Entry into the Junior Department is regulated by age and youth organization requirements as outlined in this competition guide. In no case may a person, group or organization outside of these age requirements (younger or older) be allowed to enter and compete in the Junior department.
34. However, Juniors may elect to enter, exhibit and compete (animal or non-animal) in the Senior Department when the rules of that department, division or class allow for such. Such entries shall be restricted to:
 - a. A class for the exhibit that is not provided in the Junior Department.
 - b. Junior Livestock Exhibitors that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/animal is entered and meets all Open Division entry deadlines and guidelines.
 - c. Open classes or divisions that allow for the participation of Juniors due to the open competition being a specialty, feature, regional or national show sanctioned by the State Fair and/or recognized organization. In this case, the Junior exhibitor must also enter and compete (with the same exhibit) in the current year's Junior department, division, class offered for the exhibit. This provision must be printed specifically within the rules of the feature show within this guide.
35. Anyone under the age of 18 who meets the California State Fair age requirements and is planning to exhibit in a Senior department must have their parent or legal guardian sign their detailed receipt.
36. If the exhibitor is required to be on the fairgrounds, the Junior must be supervised by their parent or legal guardian while at the State Fair.
37. Exhibit animals owned in partnership between Seniors and Juniors shall not affect Junior's eligibility when the Senior partner is the exhibitor.

STATE FAIR EMPLOYEE PARTICIPATION

38. No employee of the State Fair will be permitted to enter an exhibit for competition. No person shall be an exhibitor or sign an entry form as an agent in any Division or Department in which the exhibitor is a department head, judge, or paid employee.

Disqualification

ENTRY DISQUALIFICATIONS/TRANSFERS

39. A complete exhibit eligible in more than one Division and/or Class shall be entered and judged only in the Division and/or Class for which it best qualifies.
40. The State Fair or the judge may disqualify or transfer to the correct Class (at his/her discretion) any exhibit which is not a true representative of the Division or Class in which it is entered.

It is not, however, the responsibility of the State Fair or judges to transfer an entry to the correct Division and/or Class.

DISQUALIFICATIONS

41. The State Fair management shall reserve the right to vacate, declare ineligible for competition, and/or order the removal of any entry which is not in the best interest of the State Fair, is unsightly, unhealthy, injured, lame, unsound, endangers public safety, violates the State Fair's Animal Welfare Policies, or has been entered in violation of these rules and regulations.
42. In the event, an entry or an exhibitor is disqualified for any rule or policy violation (including but not limited to practices or procedures that are unethical, those in violation of the State Fair's Residue Avoidance Program, DNA Testing Program and those not adhering to the State Fair's schedule for the program), any or all of the following actions may take place:
 - a. The entry or exhibitor that is disqualified will be declared ineligible and will not receive awards, premium money and/or any sale proceeds. Further, the exhibitor shall be responsible for payment of any fees, fines due or costs incurred by the State as a result of disqualification.
 - b. The owner/exhibitor and members of his/her immediate family will not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by State Fair Management.

- c. State Fair Management reserves the right (but does not guarantee) to move entries up in placing after judging has taken place when an award void is created by a disqualification.
- This process of moving up judged entries shall only take place, however, when it is clear what the judge's placing would have been had the disqualified entry not been in competition.
 - For example, when a Champion is disqualified, the Reserve shall move up and be named the Champion; however, no other changes shall take place below the Reserve Champion. The same shall apply in the case of a class, section or division winner when a 2nd place has been clearly indicated by the judge.
 - If it is not possible to clearly determine a new placing, no change shall take place.
 - When a placing change does take place the entry moving up will receive all the awards, appropriate titles and all premiums of the disqualified entry but will not receive any of the original placing awards or premiums won in the second category. In other words, 2nd place will now receive 1st money and "no" entry will receive 2nd money.

COOPERATION

43. Exhibitors, their immediate family, leaders, advisors and agents thereof, not cooperating with security personnel or any other State Fair officials in all matters of policy, including but not limited to parking, stall/pen/ space assignments and appearance, judging and/or animal care will have their entries cancelled and will be ordered to remove their exhibit from the grounds immediately and forfeit all awards, premium monies, and sale proceeds. Failure to adhere to this rule will result in being banned from the State Fair.

PUBLIC DISTURBANCES

44.
