CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

December 20, 2023

Thank you all for your efforts in showcasing California's bountiful agriculture!

California is very fortunate to have some of the richest agricultural resources in the world and your exhibits play a vital role in presenting this to your communities and the public. Each fair has a unique, local agriculture flavor that brings people together to celebrate the tradition and innovation of our farmers and ranchers.

In addition to helping promote California's agriculture, the annual fair events also educate the general public on new technology that improves agriculture's effect on the environment, stewardship of water and natural resources, and practices that help preserve farmland for future generations.

When fairgrounds are not hosting the county fair, they are also used for quinceaneras, weddings, funerals, and many other community events. In times of need, fairgrounds are amongst the first to open their doors and be used as resiliency centers to serve their communities as cooling centers, evacuation shelters, first responders, food hubs, and workforce development. Fairgrounds are equipped with kitchens, sanitation facilities, and provide a safe space for sheltering people, pets, and livestock.

Your support of California fairgrounds and the annual fair is extremely important to the success of current and future generations and I look forward to hearing about the great success of the 2024 season.

Yours truly,

Karen Ross
Secretary

33. All divisions and classes within Junior Departments are intended for Juniors exclusively. Entry into the Junior Department is regulated by age and youth organization requirements as outlined in this competition guide. In no case may a person, group or organization outside of these age requirements (younger or older) be allowed to enter and compete in the Junior department.
34. However, Juniors may elect to enter, exhibit and compete (animal or non-animal) in the Senior Department when the rules of that department, division or class allow for such. Such entries shall be restricted to:
 - a. A class for the exhibit that is not provided in the Junior Department.
 - b. Junior Livestock Exhibitors that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/animal is entered and meets all Open Division entry deadlines and guidelines.
 - c. Open classes or divisions that allow for the participation of Juniors due to the open competition being a specialty, feature, regional or national show sanctioned by the State Fair and/or recognized organization. In this case, the Junior exhibitor must also enter and compete (with the same exhibit) in the current year's Junior department, division, class offered for the exhibit. This provision must be printed specifically within the rules of the feature show within this guide.
35. Anyone under the age of 18 who meets the California State Fair age requirements and is planning to exhibit in a Senior department must have their parent or legal guardian sign their detailed receipt.
36. If the exhibitor is required to be on the fairgrounds, the Junior must be supervised by their parent or legal guardian while at the State Fair.
37. Exhibit animals owned in partnership between Seniors and Juniors shall not affect Junior's eligibility when the Senior partner is the exhibitor.

STATE FAIR EMPLOYEE PARTICIPATION

38. No employee of the State Fair will be permitted to enter an exhibit for competition. No person shall be an exhibitor or sign an entry form as an agent in any Division or Department in which the exhibitor is a department head, judge, or paid employee.

Disqualification

ENTRY DISQUALIFICATIONS/TRANSFERS

39. A complete exhibit eligible in more than one Division and/or Class shall be entered and judged only in the Division and/or Class for which it best qualifies.
40. The State Fair or the judge may disqualify or transfer to the correct Class (at his/her discretion) any exhibit which is not a true representative of the Division or Class in which it is entered.

It is not, however, the responsibility of the State Fair or judges to transfer an entry to the correct Division and/or Class.

DISQUALIFICATIONS

41. The State Fair management shall reserve the right to vacate, declare ineligible for competition, and/or order the removal of any entry which is not in the best interest of the State Fair, is unsightly, unhealthy, injured, lame, unsound, endangers public safety, violates the State Fair's Animal Welfare Policies, or has been entered in violation of these rules and regulations.
42. In the event, an entry or an exhibitor is disqualified for any rule or policy violation (including but not limited to practices or procedures that are unethical, those in violation of the State Fair's Residue Avoidance Program, DNA Testing Program and those not adhering to the State Fair's schedule for the program), any or all of the following actions may take place:
 - a. The entry or exhibitor that is disqualified will be declared ineligible and will not receive awards, premium money and/or any sale proceeds. Further, the exhibitor shall be responsible for payment of any fees, fines due or costs incurred by the State as a result of disqualification.
 - b. The owner/exhibitor and members of his/her immediate family will not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by State Fair Management.

- c. State Fair Management reserves the right (but does not guarantee) to move entries up in placing after judging has taken place when an award void is created by a disqualification.
- This process of moving up judged entries shall only take place, however, when it is clear what the judge's placing would have been had the disqualified entry not been in competition.
 - For example, when a Champion is disqualified, the Reserve shall move up and be named the Champion; however, no other changes shall take place below the Reserve Champion. The same shall apply in the case of a class, section or division winner when a 2nd place has been clearly indicated by the judge.
 - If it is not possible to clearly determine a new placing, no change shall take place.
 - When a placing change does take place the entry moving up will receive all the awards, appropriate titles and all premiums of the disqualified entry but will not receive any of the original placing awards or premiums won in the second category. In other words, 2nd place will now receive 1st money and "no" entry will receive 2nd money.

COOPERATION

43. Exhibitors, their immediate family, leaders, advisors and agents thereof, not cooperating with security personnel or any other State Fair officials in all matters of policy, including but not limited to parking, stall/pen/space assignments and appearance, judging and/or animal care will have their entries cancelled and will be ordered to remove their exhibit from the grounds immediately and forfeit all awards, premium monies, and sale proceeds. Failure to adhere to this rule will result in being banned from the State Fair.

PUBLIC DISTURBANCES

44. Exhibitors causing public disturbances, those who are uncooperative and/or unsportsmanlike, those not following good animal welfare practices as determined by management, or those found in violation of rules or in practices unethical or inimical with the State Fair program and/or policies/procedures shall be penalized by forfeiture of premiums awarded, any and all awards, payments of fines and/or damages to State Property, privileges, and/or disqualification at this or subsequent State Fairs as may be deemed appropriate by the State Fair Management and/or the Board of Directors.

Further, if the exhibitor and/or exhibitor's adult supervisor, parent or family member's actions are deemed to be illegal, inhumane or unethical to livestock; the proper authorities will be notified for further investigation by those agencies for possible prosecution and/or civil penalties.

PROBATION

45. Any exhibitor found in violation of any rule may be placed on probation for one year or longer if State Fair management deems appropriate.

Judging

JUDGING

46. The judge(s) shall award first, second or third place, etc., according to merit and if without merit the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in the class.

JUDGE/EXHIBITOR INFORMATION

47. No person shall act as a judge in any Division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, in charge of a group of exhibitors, or is a member of a group of exhibitors.

JUDGE/FRATERNIZATION/CRITICISM

48. Judges should avoid unnecessary fraternization with exhibitors. No person shall be allowed, under any circumstances, to interfere with the judge, or judges, during their adjudications, or with the State Fair's staff, or to offer any criticism of any exhibit of another.

Violators of this rule shall be excluded immediately from the judging area and competition and be subject to such additional penalties, including cancellations of awards, as the State Fair management shall consider appropriate.

49. No exhibitor shall receive more than two cash awards in any one class. For this rule only, a husband, wife, and unmarried children (including foster children) under 18 years of age shall be considered as being one exhibitor, except that brothers and/or sisters shall be considered as being separate exhibitors in Junior Department classes.

This rule shall have no bearing on consideration in the placing of entries by judges. Ribbons shall be presented in the order of placing by the judges.

The management shall, however, pay third money to the fourth winner, etc., when the third winner is prohibited from receiving third cash award under the provisions of this rule. (Any entry or exhibit in which one or more members of the family described above has a financial interest shall be included in the limitation of not more than two cash awards per class.)

50. Management reserves the right to combine or to divide classes in a manner it deems necessary in order to assure adequate competition.

In the event of a show change, as a result of this rule, or where classes are established after the close of entries, premiums and awards will be distributed, divided or eliminated in a manner as deemed necessary by State Fair Management.

JUDGE'S DECISION

51. The judge's decision is final.
52. The judge's decision cannot be protested.

CHIEF JUDGE POLICY

53. A Chief Judge will be assigned by the State Fair, for still exhibits only, to mediate in the event there is a conflict during the judging process. All decisions of the Chief Judge shall be final and may not be protested.

PROTESTS

54. **For still exhibits and horse only** - Any protest must be submitted in writing and given to the State Fair's staff member responsible for the Competitive Program in question within 24 hours of the time of the cause of the protest.

Protests must be based on a violation of rules, and you must reference the rule in your protest. The judge's decisions on awards cannot be protested.

No protest shall be considered by the management unless accompanied by a deposit of \$300.00 (Cash, money order or certified check).

The deposit shall be forfeited if the protest is not upheld.

Protests shall be adjudicated by State Fair management.

State Fair management will consult with a member of the California State Fair Board of Directors who shall be designated by the Chairman of the Board.

The decision of State Fair Management shall be final and unappealable. See special livestock rules for protests in the Livestock Program.

55. Under no circumstances will any entry which has been previously judged be “rejudged” due to the disqualification or removal or another entry.

Awards

SPECIAL AWARDS

56. Special Awards contributed by businesses or individuals are offered in some California State Fair Competitive Programs. These Special Awards are the obligation of the contributor/donor. The California State Fair is not responsible for redemption of these awards.

TAX LAWS

57. It is the responsibility of the exhibitor to investigate and adhere to State and Federal tax laws/regulations regarding premiums paid, and awards received.

As an out-of-state payee who earns \$1500 or more, Cal Expo must withhold 7.5% for State taxes.

You may request an exemption or a reduction of this withholding by filling out and submitting the Nonresident Withholding Waiver Request, California Form 588.

PREMIUM AWARDS

58. Awards, ribbons, tags or cards have no value as payment. Premiums are paid only from the records of the judges’ sheets.
59. Premium checks will be issued as soon as auditing, drug testing, if applicable, and processing can be completed. If checks are not received by November 15, please phone or write the State Fair.
60. Checks must be **cash**ed within six months of the date of issue.
