CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

December 20, 2023

Thank you all for your efforts in showcasing California's bountiful agriculture!

California is very fortunate to have some of the richest agricultural resources in the world and your exhibits play a vital role in presenting this to your communities and the public. Each fair has a unique, local agriculture flavor that brings people together to celebrate the tradition and innovation of our farmers and ranchers.

In addition to helping promote California's agriculture, the annual fair events also educate the general public on new technology that improves agriculture's effect on the environment, stewardship of water and natural resources, and practices that help preserve farmland for future generations.

When fairgrounds are not hosting the county fair, they are also used for quinceaneras, weddings, funerals, and many other community events. In times of need, fairgrounds are amongst the first to open their doors and be used as resiliency centers to serve their communities as cooling centers, evacuation shelters, first responders, food hubs, and workforce development. Fairgrounds are equipped with kitchens, sanitation facilities, and provide a safe space for sheltering people, pets, and livestock.

Your support of California fairgrounds and the annual fair is extremely important to the success of current and future generations and I look forward to hearing about the great success of the 2024 season.

Yours truly,

Karen Ross
Secretary

Basis of Judging

The Commercial Craft Brewing Competition will use the American system of judging. This competition will follow the BJCP Competition Standards and is BJCP Sanctioned.

All judging will be double-blind. Entries will be cold stored until judging time. Judging will be overseen by a Lead Judge whose decisions will stand.

Brewery of the year shall be determined by the following medal (ribbon) point totals:

Gold (1st) = 8 pts.
Silver (2nd) = 4 pts.
Bronze (3rd) = 2 pts.

In case of a tie Brewery of the Year will be determined by the strength (number of entries) of the category the beer was entered.

Awards Philosophy

The California State Fair awards medals for excellence in 62 categories and does not necessarily award medals to the top three finishers in a particular category. When judges decide that a category contains three excellent examples of the style, they award gold, silver, and bronze medals for the first, second, and third place beers, respectively. If judges believe that no beer in the category meets the quality and style accuracy criteria, they may elect not to award a medal. Judges may award a silver or a bronze medal and yet not award a gold medal in a category.

The award criteria are as follows:

Gold: A world-class beer that accurately exemplifies the specified style, displaying the proper balance of taste, aroma, and appearance.

Silver: An excellent beer that may vary slightly from style parameters while maintaining close adherence to the style and displaying excellent taste, aroma, and appearance.

Bronze: A fine example of the style that may vary slightly from style parameters and/or have minor deviations in taste, aroma, or appearance.

AWARDS

Gold (1st), Silver (2nd) & Bronze (3rd).....Rosette
Best of Show Beer Rosette and Golden Bear Trophy
Brewery of the Year Golden Mash Paddle

Best of Show winner will have winning beer featured in the Best Of California Magazine and will be served at the California State Fair Beer Garden. OVG will buy beer from the winner and arrange shipping for the entire three weeks of Fair.

Should you be awarded a Bronze, Silver, or Gold award for your entries, you may choose any of the following forms of recognition:

OPTION 1: An electronic version of an award-winning medal to use for digital marketing.

OPTION 2: Purchase of award seals for application to your product.

OPTION 3: The traditional award rosette for the award your entry received.

Following the competition, you will receive an award letter sent via email. Order form must be submitted to receive awards. Requested Awards will be mailed in August 2024 after the Fair closes.

CATEGORIES

The following categories are determined by a combination of many factors, including BJCP, GABF, and World Cup style parameters.

As such, these style categories possibly could and should change from year to year.

The Head Judge reserves the right to combine classes when the number of entries warrants.
