9. **NEW BUSINESS**

g. X Games Year-Around Facility at Cal Expo

CEO Martinez reviewed the staff report with the board. He explained that X Games is internationally known as an extreme sports organization. They are looking at Sacramento to hold their next competition and have approached Cal Expo as a place of interest. California Dreamin would be submitting the RFP to X Games. Then Cal Expo Events would work with California Dreamin and X Games to facilitate the event. There could be an option to book the event for the next 2 years. There was a lengthy discussion on this item as events are usually not brought to the Board. However, with the size of an X Games event CEO Martinez wanted to make the board aware.

MOTION:

Director Salinas moved to direct staff to work with California Dreamin for a location for X Games at Cal Expo. Motion was seconded by Director Hardeman. Chair Pelote asked for a roll call vote: Director Barajas, yes; Director Bernikoff, yes; Director Chong, yes; Director DiMare, yes; Director Hardeman, yes; Director May, yes; Director Salinas, yes; Vice Chair Craig, yes; Chair Pelote, yes. **Motion passes unanimously.**

h. Discussion and Approval to Support Federal Bills H.R.1787 – S.4040 CEO Martinez reviewed the staff report with the board.

MOTION:

Director Salinas made a motion to approve staff's recommendation to support Federal Bills H.R. 1787 and S. 4040. Motion was seconded by Director Hardeman. Discussion – Director DiMare wonder why this wasn't sent to the Legislative Committee. Director Salinas, Chair of the Legislative Committee thought it was fine to be sent to the full board. Director Chong asked for more information about the bills. CEO Martinez explained that there is a significant labor shortage for mobile entertainment industry and that includes carnivals, fairs and circuses. These two bills would allow mobile entertainment employers

to use the P non-immigrant visa classification for workers. Chair Pelote asked for a roll call vote: Director Barajas, yes; Director Bernikoff, yes; Director Chong, yes; Director DiMare, yes; Director Hardeman, yes; Director May, yes; Director Salinas, yes; Vice Chair Craig, yes; Chair Pelote, yes. **Motion passes unanimously.**

10. MATTERS OF INFORMATION

CEO Comments

CEO Martinez gave the board members some dates of interest. June 9 – Royal Fitment, Crawdad's Festival June 15 – 16, Sac Rep games June 15 and 29. Sac Republic has a league play off game on June 9. He went on to state that Cal Expo has been in meeting with the Forrest Center and the California Conservation Corp for cleanup of that area, Cal Fire – Fire Marshall inspected the back stretch and signed off on the permit. Martinez spoke about the Monorail at State Fair and the Cal Trans Bridge widening project.

11. Directors Comments/Agenda Items for Future Meetings

Director DiMare was excited for State Fair and thanked all the staff. Director Chong was excited for State Fair and wanted to thank staff and welcome new Board Member Bernikoff.

Director Bernikoff thanked everyone for making her feel welcomed. Director Barajas – Welcome to Director Bernikoff and very excited for State Fair.

Committee Chair May called the meeting to order at 10:00 a.m. and noted that all the committee members were present. Committee Chair May proceeded to share that he and Director Salinas had a meeting with CEO Martinez and staff to discuss the board receiving more robust and timely financial materials.

STAFF REPORTS

a. 2024 1st Quarter - Draft

Accounting Manager Barrios reviewed the 2024 1st quarter draft report with the finance committee. Director DiMare asked about OPEB/Pro Rata balance. Committee Chair May explained that Pro Rata addresses the retirement medical for Retirees. If our payroll represents 1% of the full State payroll then we pay 1% of the total retirement medical that the State pays for. So, it's based on our percentage of payroll. That's in Pro Rata. Director Craig asked about the increase lines 17 & 18 over 2023. Committee Chair May stated that Cal Expo is under staffed and it could be that we are using some contractors to fill empty positions. CEO Martinez pointed out that in 2023 Cal Expo received back ownership of the sports field and that included additional salaries.

b. Account Receivable Aging Report

Accounting Manager Barrios reviewed the AR Aged Invoice Analysis report with the committee members. Director DiMare suggested that accounting concentrate on the larger amounts due. Director Craig asked if this report reflected the Force Majeure relief given to Rock & Brews and it does not. CEO Martinez stated that he and Chief Deputy General Cranford and Deputy Manager Shell had a meeting with Joe Johal and talks with continue. Committee Chair May along with CEO Martinez explained to the committee and new board members the .33 agreement that we have with Sacramento County.

Subject: 2024 California State Fair Board Report.

Below and attached please find detailed snapshots of the various components that illustrate the success of the 2024 California State Fair. Included are comparative data points from prior years to best illustrate annual trends. An important trend recognized by staff and vendors showcases how the daily temperatures impact the levels of attendance on a daily basis. After a blistering hot opening weekend, the State Fair enjoyed cooler temperatures until the second week of the annual event. As temperatures hovered around 108 degrees through the week, attendance and financial activity dropped off from the prior week levels. The closing weekend temperatures decreased dramatically, and with that, attendance numbers increased to their highest levels. Perhaps the most beneficial partner to the State Fair, Butler Amusements, enjoyed their single most profitable day in the carnival company's history on the last Saturday with \$634,000 in rides! Moreover, Butler Amusements surpassed a million dollars of rides between the final Saturday and Sunday. Finally, the 2024 California State Fair finally surpassed \$10 million in food and beverage sales.

Cal Expo Staff looks forward to providing a presentation to the Board regarding the potential change of State Fair dates during their annual Strategic Planning Session next month. This presentation will include new data and feedback from fairgoers, vendors, and State Fair partners.

High Points

Leading up to the 2024 California State Fair, the Sacramento Region experienced its hottest stretch of weather on record. Despite enduring 11 days of intense heat during the fair, the staff demonstrated remarkable resilience and managed to organize a successful fair, boasting an impressive estimated attendance increase of over 10%.

The fair's outstanding success was further highlighted by Time Out magazine, by being named the #1 state fair in the United States. Even in the sweltering heat, the evening crowd remained undeterred, drawn by Toyota Concert Series top names in the music industry featured on the Golden 1 Stage. Out of 17 concerts, 7 were sell-outs, with performances by Vanilla Ice, Zapp, Flo Rida, and others. The three most well-attended concerts included Bush, The Beach Boys, and Cole Swindell, culminating in a memorable final night with a standing-room-only performance by Lupillo Rivera.

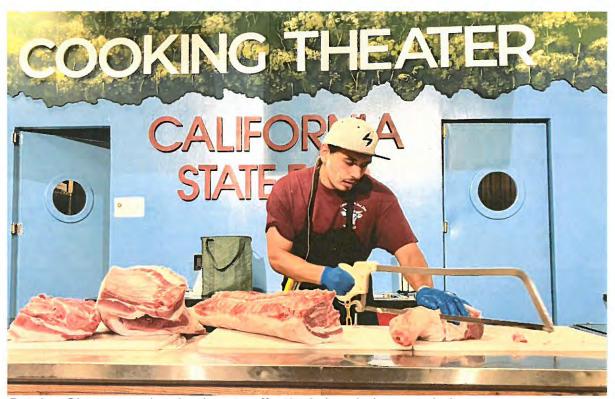

The State Fair also excelled in its social media engagement, with significant contributions from staff and influencers who adhered to Diversity, Equity, and Inclusion principles. This effort led to a substantial increase in our social media presence and most notably, a mention by Jimmy Kimmel about the fair's new cannabis lounge that

went viral, garnering both national and international media attention. Overall, the combined impressions from social and traditional media easily have set the standard going forward with a staggering engagement impact.

2024 FAIR PROGRAM OVERVIEW

Building B Programs

The Save Mart Supermarkets California's Kitchen program was a hit, offering a full schedule of cooking demonstrations, trivia, and competitions that were well-received by fairgoers. New additions this year included the California State Fair BBQ Competition and the Blade & Banter Butcher Showcase, both of which had large crowds and are sure to be welcomed back next year.

Butcher Showcase showing how to effectively break down a whole carcass.

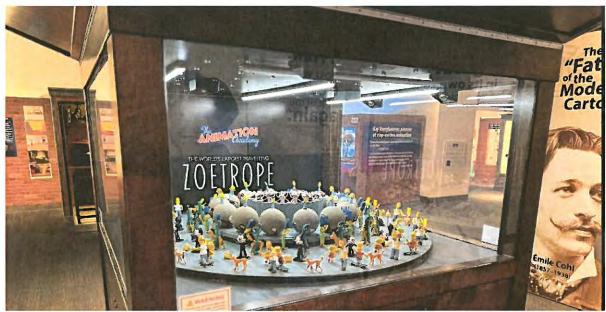

BBQ competitor showing off ribs that have been smoked and glazed during the State Fair.

Expo Center Programs

Otters "Drip and "Drop" of the Wild Things were very popular with over 100,000 attendees over the 17 days of fair.

Almost as popular, the Animation Academy exhibit, had over 85,000 attendees walk through the exhibit

Visited by over 75,000 attendees, and with over 17,000 of those fairgoers checking out the Cannabis consumption area next to Heart Health Park, the Cannabis Exhibit was busy every day during Fair.

The new and innovative High Speed Rail Exhibit drew a lot of interest with more than 60,000 people touring the mockup of the train.

Tent D Programs

Tent D served as a vibrant hub for family-friendly programming and activities this year. Its indoor setting provided a much-needed cool space for families to escape the heat while enjoying a variety of engaging activations designed for children and adults alike. Conveniently located near the Tractor Supply Company Livestock Pavilion and Kids Carnival, Tent D offered easy access for families to explore other exciting areas of the fair.

2024 FAIR FOOD AND COMMERCIAL VENDORS UPDATES

This year's fair experienced strong public turnout and notable gains in food and beverage and carnival sales. Food and beverage sales exceeded \$10 million, a record for the fair and the carnival set a single-day record of \$634,000 during the final weekend. The State Fair continues to boost the local economy, particularly in travel and hotel stays in the Sacramento area. This success reflects the hard work of everyone involved and supports the ongoing growth of the fair's long-standing tradition.

2024 FAIR LIVESTOCK UPDATES

Nearly 3,500 livestock animals were entered in various competitions, with increased participation in species such as pygmy goats, open sheep, open llamas, and open dairy cattle. Exhibitors from across the state competed for the title of "Best Of" within their species, proudly representing their counties.

Subject: 2023/2024 Event Comparison

EVENT COMPARISON REPORT 2024 v 2023

The attached report includes paid attendance for the events (non-fair time) held from January through June of 2024. If an event does not have paid attendees then the total attendance is listed for that event. The attendance for this six month period is 343,207 which was an increase of 34,592 attendees (10% increase). The income increased by \$218,838.50 (7.8%). The comparison report does not include expenses for the events but includes the revenue streams that are paid to Cal Expo. This includes the rental fee for the buildings and/or outdoor space, paid public parking, paid exhibitor parking, online ticketing service fees, ATM commissions, and food & beverage commissions.

The biggest increase in income for the first six months of 2024 is the venue rental income which increased by 28%. Other revenue streams were not increased by the same percentage as there were several events that were contracted for space rental only.

NEW EVENTS 2024 – January-June

CATstravaganza: Produced by Loving Cats Worldwide (LCWW) which is an international all breed cat show. In addition to the judging of specific breeds being showcased, the event features LCWW's signature "Cat Walk" and a variety of feline goods to purchase over the two day event in February. Attendance was 5,775.

Sacramento Area Unity Eid: In April, 40,000 Muslims came together in prayer, community, and celebration of the end of Ramadan. A press release issued by the California Chapter of the Council on American-Islamic Relations indicated that the turnout for the event was unprecedented, making it the largest Muslim gathering in California history.

2024 NorCal Futsal State Cup: 155 teams participated in the State Cup over President's Day weekend in February. Teams were comprised of boys and girls with divisions for under 9 year olds and under 14 year olds. 8,600 attendees enjoyed the successful competition.

Highlands Charter School Cell Phone Distribution: In January, February, and March Highlands distributed thousands of cell phones at Cal Expo to their students. The educational mission of Highlands School for their students includes learning English, earning a high school diploma, and learning a skill.

Monster Truck Nitro Tour: The exciting national touring Monster Truck event was held in the Rodeo Area in April. The one day event was successful with over 5,000 attendees.

Crawdad Festival: This large crawfish festival has been held over Father's Day weekend for 38 years in Isleton. A group of the former promoters brought the event to Cal Expo. The event in Isleton and the event at Cal Expo were held on the same weekend. 10,000 attendees enjoyed a variety of food which included piles of crawfish, music, and carnival rides.

The attached event comparison details the completed events for the first six months of 2024. This report does not include Heart Health Park event income, Simulcast, or RV income.

PLEASE NOTE: As the graph was too large to print and have it readable, therefore I have cut it in half. Please note the month and page in the upper righthand corner. Page 1 is the first four columns/rows and page 2 is the rest of the columns/rows for January – March.

From: Diana Barrios, Finance Manager

Subject: Financial Reports

INTRODUCTION

At the Board of Directors June 7th meeting, staff was requested to provide the following by their September meeting:

- 1) Plan or pathway to getting the organization's finances organized and on track.
- 2) Plan to receive more timely financial statements (ie budget reports and balance sheets).
- 3) Update on the status of the 2020 Audit.

This financial report provides responses to the questions above as well as a Statement of Financial Activities for Quarter 2 and Aging Accounts Receivable and Payable Reports.

Accounting staff have been hard at work and are pleased to present this report outlining some of its updates, progress, and outlook towards the future months.

Attached for your review is an update of the Statement of Financial Activities for Quarter 2 and the Aging of Accounts Receivable and Payable Reports.

FINANCIAL TEAM UPDATES

Since the June 2024, Board of Directors meeting, there have been several staffing changes within the accounting team. To allow for the focus on the accounting team needs, and priorities of the board, the Finance Manager no longer oversees the contracts team. One member has opted to transfer to another state agency. A new employee was hired, on a limited term basis, and whose responsibilities include researching and assisting with identifying erroneous entries and developing a plan for remediating the errors, learning the process of both Accounts Receivable and Payable to assist with the workload, and assisting with inputting journal entries related to daily ticket sales for various events taking place at Cal Expo. Additionally, the above vacancy in the accounting unit has allowed the organization to open a recruitment for a new position which seeks a highly qualified individual to fill that position. Along with the desired accounting skills, included in the recruitment strategy, the organization is seeking candidates who possess the knowledge, skills, and abilities of gathering and researching data, budget analysis, collections, reviewing accounts and recommending correcting journal entries, and the ability to develop and write procedures. The recruitment is underway with interviews taking place in the month of September 2024.

In the meantime, the Finance Manager has been performing the tasks of the vacant desk and is currently in the process of training staff on these tasks. The Finance Manager is creating a desk procedures manual as to ensure that both current, and future, staff have proper training tools, reference guides, and diminish errors. The desk procedures manual will also promote the consistent and proper methodologies and approaches to the various tasks involving Accounts Receivable.

The current accounting team now consists of one Accounts Payable coordinator, one Accounts Receivable trainee, two retired annuitants (RA) who work on specialized projects like the annual audit, developing asset depreciation models, and complex research of accounts. There is one contracted Retired Certified Public Accountant who reports on an as needed basis and works solely on account reconciliations and highly complex and difficult accounting matters such as the reconstruction of key accounting processes that have not been documented. Additionally, there were two added staff, during the State Fair, to help with food and concession audits and close out the process. The Finance manager, overseeing all of the functions and duties, has also worked to develop, document, and process various accounting tasks while current staff get up to speed.

ONGOING EXPENSE ANALYSIS

Cal Expo has focused on building a healthy reserve that supports its daily annual operations both in the immediate and long range. The immediate goal is to incrementally build to one year of operational expenses in reserves. In order to achieve this, staff have been analyzing expenditures, especially within the "Lease vs. Purchase"

type of expenditures. It is determined that purchasing select items, rather than renting, would ultimately decrease the rental expense and Cal Expo could rent the items to increase its return on the investment of the purchase. The endeavors into the lease versus purchase analysis will result in a temporary increase in expenditures due to the need to front load the costs of purchasing items. Cost savings will be experienced in future years as Cal Expo benefits from a reduction of ongoing rentals and, when able, the potential of renting purchased equipment to outside entities or event promoters.

One example of a lease versus purchase analysis was the annual renting of tables and chairs. Cal Expo was renting these items at an average cost of \$40,000 each year. Cal Expo records show we have been renting tables and chairs for its events dating back to 2003 with a cumulative sunk cost of \$440,000 and no return on investment.

With the analysis, it was determined that by purchasing a sufficient number of tables and chairs at a cost of approximately \$235,750, it would reduce the rental expense during the annual State Fair by approximately \$10,000 each year and Cal Expo would have the equipment to rent to interim events. This allows for Cal Expo to recoup on its investment at an approximate value of \$30,000 per year, while reducing staff's time, who seek and execute rental contracts, by approximately 76 hours - translating to about \$3,000, per year, in salaries.

Using the concepts noted above, staff continues to analyze all contracts for the opportunity to purchase versus lease with a keen eye towards cost savings and potential new revenue streams.

GRANTS AND REIMBURSEMENTS UPDATE

Cal Expo accounting and administrative staff have been working at submitting documentation to receive funds related to its various grants and reimbursement opportunities for qualifying events during the COVID pandemic and severe storms. The below chart illustrates the funds either received to date or expected in Quarter 3 of 2024.

Organization/Pu	rpose		Amount	Status

	Grant #23-0748-000	\$1	,927,562.92	Expected in Q3
	Total Expected/Received	\$2	2,360,631.06	

ANNUAL AUDIT 2020

The Board of Directors decided in 2021 to combine the audits for both 2020 and 2021 as a result of Cal Expo's transition from events to a regional COVID emergency response.

The Accounting team have continued with their active communication with our independent auditors and are in the final wrap-up audit process for fiscal year end 2020. Attached for your review is a draft financial statement from the independent auditor firm, Richardson, LLP.

Mr. Tom Martinez, General Manager California Exposition & State Fair 1600 Exposition Boulevard Sacramento, California 95815

Dear Tom:

Attached is a draft of the December 31, 2020 financial statements for review, not including the audit reports. The completion of the audit has been substantially delayed due to loss of accounting personnel at the time we started the audit in 2021. There has been a complete turn-over in accounting staff since 2020. As a result, there has been limited transitional knowledge of the organization's financial history.

The items that need to be completed in order for us to provide our opinion on the financial statements include: Reconciling the deferred maintenance expenditures incurred by California Construction Authority (CCA) to the construction in progress or expense, depending on whether the project meets the criteria for capitalization, reported in Cal Expo's general ledger, including internal costs; analyzing and adjusting the unearned revenue related to the deferred maintenance funds received from the State; and analyzing the deferred maintenance funds held in restricted cash to ensure it properly reflects the amounts remitted to CCA and any refunds received from CCA. Once these items are completed, and resulting journal entries are provided, we will proceed with completing the audit and issuing our opinion, as well as the other audit reports.

Please let me know if you would like to discuss these items further.

Very truly yours,

RICHARDSON & COMPANY, LLP

MEMORANDUM

Date: September 27, 2024

To: Board of Directors

California Exposition & State Fair

From: Arturo Barajas & Rina DiMare

California Exposition & State Fair,

Board Liaisons

Subject: Agricultural Advisory Council Applicant Recommendations

This report provides a background on the establishment of the Agricultural Advisory Committee (AAC), their role, and several recommendations of the Cal Expo Agricultural Advisory Council Board Liaisons.

BACKGROUND

The California State Law, Food and Agriculture Code Sect, 3316 provides that, "The Board may appoint advisory committees. Advisory committees may provide information and advice to the Board with respect to the operations and management of the California Exposition & State Fair or such other matters as the Board deems appropriate."

The Agricultural Advisory Council (AAC) was established by the Board of Directors to provide two way communication with the various stakeholders within the agricultural communities throughout the State; to advise the Board on matters pertaining to agricultural programs related to education, entertainment, and other activities at the California State Fair; to help expand participation in the annual State Fair by California's agricultural groups and industries; and support the Board's objectives to showcase a broad range of agricultural activities during the annual State Fair, as well as throughout the year at Cal Expo. The selection process mirrors that of the Cultural Advisory Committee model.

CRITERIA, SELECTION, and TERM

Members of the Agricultural Advisory Council are intended to be leaders from agricultural communities throughout California and serve at the pleasure of the Cal Expo Board of Directors.

Upon selection by the Board, a member will serve one term of 2-years. Upon completion of that term, a member will have the opportunity to apply for reappointment by the Board of Directors for up to three additional, consecutive terms of two-years each. No member shall serve more than 8 years.

NEW ADVISORY MEMBER APPOINTMENT

All potential new members are required to fill out an application form and follow all procedures established by the Cal Expo Board of Directors. The maximum number of members on the Agricultural Advisory Council shall be no more than 20.

BOARD RECOMMENDATIONS

Cal Expo Agricultural Advisory Council Board Liaisons Rina DiMare and Arturo Barajas recommend the following individuals for approval to the Agricultural Advisory Council:
