2025 California's Kitchen Trivia Rules

TRIVIA RULES:

Trivia Format: There are 20 questions at each event. Answers are revealed onstage while answer sheets are scored backstage.

Teams: The maximum team size is 4 individuals. Teams are encouraged to choose fun, food-related team names.

Scoring: Team trivia answer sheets will be collected from teams, and not returned. All answers will be read aloud by the MC to all teams. The scores of all teams will be announced, then the winning team will be recognized.

Phones: Any team spotted using a cell phone or other "smart" device for any purpose during the trivia session will be disqualified from being designated the "Winning Team." It is recommended players turn off their phones during the competition to avoid temptation. Disqualified teams will be notified upon collection of answer sheets, and no score will be announced.

Ties: Ties are settled with a single, difficult question. "Closest answer" will win.

Check In, Late Arrival & Stand-By Lists: Preregistered teams must check in at the Cooking Theatre stage in Building B, 15 minutes before start time. At five minutes before the start time, any teams not checked in will forfeit their registration to teams waiting on the Stand-By List.

Eligibility: Participants may not be staff members of Cal Expo or the California State Fair.

Monorail Tickets: Cal Expo Monorail ride tickets are good for any day of the 2025 California State Fair. Use of tickets is subject to the operational hours of the monorail, and to unexpected closure due to repairs. Monorail tickets are not redeemable for cash or refund.
