2025 COMPETITION GUIDE

It's your moment to shine! Enter today.

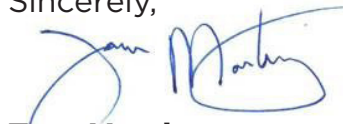

For more than 170 years the California State Fair has been a constant showcase of the talents and achievements of the people of California. Entering into the California State Fair's 2025 Competitive Exhibits Program allows you the opportunity to showcase your abilities, and revel in your accomplishments!

The California State Fair's friendly competitions are designed to acknowledge the best of the Golden State. Our Competitive Programs inspire talented Californians, as well as highlight the latest advances in technology, agriculture, and industry.

More than 750,000 visitors are expected at the State Fair this summer. Your work is an integral part of the State's celebration, and we look forward to seeing your talents on display during the annual State Fair from July 11-27.

We encourage you to enter today and begin making lasting memories for yourself, and for the hundreds of thousands of State Fair patrons!

January 8, 2025

On behalf of the California Department of Food and Agriculture, a warm welcome to you as we all prepare for the exciting 2025 fair season! We are thrilled you are joining us this year and sincerely thank you for your continued involvement in showcasing your products, livestock, and expertise. Your contributions help make our fairs successful and provide an invaluable experience for our communities.

Fairs play an essential role in connecting food and agriculture with the public. They are not only a time for us to celebrate the fruits of our labor, but also serve as a critical platform for educating future generations about the importance of farming and food production, livestock management, and sustainable practices. Through your participation, you directly contribute to the appreciation of the vital role agriculture plays in our lives and foster an understanding of the tremendous diversity, innovation and new technology that create new opportunities in agriculture and our rural communities.

The fairgrounds are not just a venue for the annual events. Throughout the year, they serve as a hub for various interim activities that support local economies, offer educational programming, and foster community engagement. From hosting agricultural workshops and livestock sales to providing facilities for regional competitions and cultural festivals, the fairgrounds contribute to the vibrancy and resilience of our agricultural community. Additionally, they play an important role in emergency preparedness, providing a space for disaster response and recovery efforts during critical situations, such as flooding or extreme weather events.

We understand the dedication and hard work that goes into preparing for the fair, and we want to express our deep gratitude for your commitment to making each fair season a success. Your participation ensures the continued relevance of our fairs and strengthens the agricultural ties that bind us all together as a community.

We look forward to this fair season and its great success!

Yours truly,

Karen Ross
Secretary

OFFICE OF THE GOVERNOR

California Agriculture Fair Season

It is my pleasure to welcome you to the 2025 California fair season!

From the first fair of the season in February to the last in late October, fairgrounds across the state are busy planning for one of the largest events of the year. These annual fair events have so much to offer.

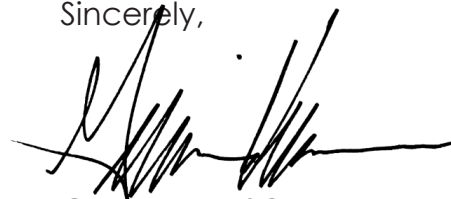

At the fair, you can expect to find the traditional corn dogs, cotton candy, and carnival rides. In addition to these delicious treats and fun entertainment, you can also enjoy competitions, exhibitions, and educational activities. Your participation as exhibitors helps promote the importance of agriculture and food production throughout our state.

Aside from the annual fair, California fairgrounds remain busy hosting a variety of other events throughout the year. Most of these events are fun and festive celebrations that represent the culture and diversity of the communities that surround the fairgrounds. However, our fairgrounds are also amongst the first to serve in times of despair during emergencies and evacuations.

As resiliency centers, our fairgrounds provide safe shelter and build community preparedness as hazards like wildfires, floods and extreme heat become longer lasting and more frequent in California. During disasters, the fairgrounds offer a place to stay with kitchen and sanitation facilities, showers, and other resources.

Our fairgrounds are so important for our communities and so are exhibitors and advocates like you! Thank you for your many contributions to the continued success of the fairgrounds.

Sincerely,

GAVIN NEWSOM

The California State Fair July 11 - 27, 2025

The California State Fair has always been the awe-inspiring showcase of the state’s finest, and ever since the first fair in 1854, California has upheld this tradition. People come from all over to witness the competition and innovation that our exhibitors produce. We continue to add new and exciting competitions to our competitive programs to showcase California’s very best!

Why enter the Competition?

Competing at the California State Fair isn’t just about sportsmanship, responsibility, and discipline. It is building a relationship between the consumer and the general public, education about the facts of agriculture and interacting with people who become lasting friends. It is an opportunity to showcase what you have learned through your organization and your livestock projects. It is the ability to see how your project measures up to some of the best on the west coast; to learn how to accept victory and defeat in a professional and positive matter; to showcase that hard work and determination does pay off. Good luck to all exhibitors!

COMPETITION OVERVIEW

Junior competitions include Beef Cattle, Sheep, Swine, Market Goats and Wether Dam Does. Junior Pygmy Goats and Junior Boer Goat information will be found in the Open Livestock Book.

DAIRY CATTLE AND DAIRY GOAT

(subject to change)

The California Exposition & State Fair supports the California Department of Food and Agriculture's (CDFA) January 7 directive regarding the ban on poultry and dairy cattle exhibitions at fairs and shows across the state. We commend the proactive efforts of the State Veterinarian and CDFA to mitigate the risks associated with the H5N1 avian influenza outbreak, which has had a devastating impact on our agricultural industries.

The welfare of animals, exhibitors, and fairgoers is a top priority for Cal Expo. We are taking this situation very seriously and are committed to working closely with CDFA, following their guidance to ensure the California State Fair remains a safe and enjoyable experience for all. We will continue to monitor developments and share updates as the situation evolves.

RULES & REQUIREMENTS

All Junior Exhibitors are required to complete YQCA training prior to July 3, 2025. If Exhibitors took YQCA in 2024 they do not need to retake for the 2025 California State Fair. They will need to submit a copy of their certificate with their detailed receipt. Youth for the Quality Care of Animals (YQCA) is a national multi-species quality assurance program for youth ages 9 to 18.

1. Once you have submitted your entries online, print the Detailed Receipt Page, obtain all required signatures and return the signed form with your YQCA certificate to our office by the required deadline. If the exhibitor has multiple species with multiple leaders, all leaders must sign the Detailed Receipt. Entries are not accepted until Detailed Receipt is returned.
2. All completed entry forms, as well as the payment of fees, must be entered on-line according to the following schedule:
 - a. All Junior Beef, Sheep, Swine, Market Goat, Wether Does, and Junior Dairy Goat entries-No later than June 11.
 - b. All Junior Boer Goat and Junior Pygmy Goat entries are due June 18 with the Open Livestock entries.
3. Entry is open to California residents only, except where expressly noted in special division rules.
4. For information on entry fees, limit of entries, and premiums paid; see Class List for each species. Entry fees are nonrefundable.
5. A penalty of \$25 per dishonored check must be paid if a check for payment of entry fees or other applicable fees is refused by the bank. These penalties may only be paid by cash, certified bank check or money orders and made payable to the California State Fair.
6. Mail or Deliver signed Detailed Receipts to:

Mail: Junior Livestock California State Fair 1600 Exposition Blvd Sacramento, CA 95815	Deliver: Administration Building California State Fair Entry Office 1600 Exposition Blvd Sacramento, CA 95815
--	---

or fax to: **(916) 263-7903**
or email to: **entryoffice@calexpo.com**
7. Entry in Chapter Groups, County Groups, and Livestock Special Events shall be made upon arrival at the Fair unless otherwise noted.

8. **Showmanship:** All exhibitors may officially pre-enter showmanship and pay the entry fee by the official entry deadline; June 11, 2025. See Showmanship section for late showmanship entry details.
9. No animal may be entered in more than one division in the Livestock Department unless provided for in the specifications of the division. Animals may not be transferred from one division to another unless Fair management determines a need.
10. Animals entered as individuals in the Junior Department are not eligible to be entered in classes of the Senior Department, unless the same animal is entered and shown in the Junior Show.
11. Failure to provide complete and accurate information on each and every entry on each entry form(s) by July 1, 2025, shall result in the disqualification of each entry missing all or part of the information required.
12. Breeding Animals not identified at least by birthdate and at least one of the following: dam's name and her registration number, ear tag, tattoo or permanent marking or by the registration number prior to the closing date of entries may be made eligible only by paying a penalty of \$10.00 per entry. Only cash or certified cashiers check will be accepted as payment for these penalties.
13. The registration number of the sire for the Get of Sire group and the registration number of the dam for the Produce of Dam group must be shown on the original entry form. Sires and dams not identified by the closing date may be made eligible only by paying a \$10 penalty per group entry. All animals in each group entry must be owned by the exhibitor, entered as individuals in a breeding animal class, and be of one breed.
14. See Blocking Chute, Blocking Table, and Pop Up Tent Rules under Livestock Rules for registration information and fees. Generators are also subject to a \$35 fee.
15. **Medication Declaration:** The California State Fair requires exhibitors of all market animals to complete a Medication Declaration Form for each animal brought to the scale for an official weigh-in. It is requested that breeding animals complete a Medication Declaration Form. If an animal requires medical treatment while on the fairgrounds, only a licensed veterinarian will be allowed to administer any drug, chemical or feed additive. An exhibitor may choose a licensed veterinarian other than the official State Fair veterinarian, but the official State Fair veterinarian **must** be notified in advance and he/she **must** be present.

16. No entry will be judged if fees are outstanding on that entry, this includes NSF payments or other outstanding invoices from the past.
17. All group classes must be comprised of individuals entered & shown in individual classes.
18. DNA for Wether Dam Doe Goats is **required**. Deadline for Wether Dam Doe Goats, Wether Dam/Sire Sheep & Crossbred Gilts is June 11.
19. All dairy cattle changing ownership require an official ID ear tag.
20. Sheep Lead Competition is open to any California Junior Exhibitor, check Best of Show guide for more information.
21. If you remove or rearrange a panel in your assigned pens you will be required to return the panels to their original location before a release slip is issued. Failure to do so will result in a \$50.00 back charge for each panel our staff has to re-install to its original configuration. Barn assignments will be used to back a bill, so make sure if you change locations in the barns that your show superintendent knows your final location.

FFA

The Future Farmers of America (FFA) is a national organization of students enrolled in secondary (grades 7-12) agriculture education classes. The local unit is the chapter in each school offering agriculture education, under the supervision of the agriculture teacher, who is the local chapter advisor.

The state unit includes all chapters in the State, under the supervision of the California Department of Education as represented by the agricultural education staff in the Agriculture Education & Family and Consumer Sciences Office, with its headquarters in Sacramento. The national organization consists of associations in each state, the Virgin Islands and Puerto Rico, under the supervision of the National FFA Advisor.

Every FFA project is a part of the educational experience of the agricultural education student. The program includes the improvement of agriculture, agriculture literacy, and the development of intrapersonal skills, citizenship, and leadership. Participation in fairs and livestock shows is recognized as having outstanding educational value as well as stimulation for better results and projects under the supervision of the chapter advisor and with the cooperation of the fair's management.

4-H

The exhibits, demonstrations, and projects presented at the State Fair are the outstanding work of 4-H members with the support of volunteer leaders from across California. The general public can see the growing diversity of educational opportunities offered through 4-H to young people statewide.

The University of California 4-H Youth Development Program engages youth in reaching their fullest potential while advancing the field of youth development. Within California, the program involves over 60,000 youth, ages 5 to 19, in their communities and helps them develop relationships with more than 5,400 caring adult volunteers each year. With many and innovative educational projects in every county, 4-H youth develop citizenship, leadership and life skills as they “learn by doing.”

To find out more about the California 4-H Youth Development Program, call (530) 750-1334 or visit 4h.ucanr.edu.

Conducted by the University of California Agriculture and Natural Resources.

CALIFORNIA STATE GRANGE

The Grange is the oldest agricultural organization in the country. Organized in 1873, the California State Grange has 120 local chapters and 6,000 members statewide. Membership is open to all who are interested in agriculture, both producers and consumers. The Grange Youth Fair Program is a program adopted across many of the Community Granges in California, made up of young people from the age of 5 through 19 years of age. The Grange Youth Fair Program allows members to participate in activities and projects designed to increase their confidence, strengthen their character, and learn the importance of self-discipline while enjoying the fellowship of other young men and women. The projects displayed at the Fairs by members are the results of their efforts under the supervision of volunteer leaders.

GENERAL LIVESTOCK RULES

Entries

- 1. Participant (Junior Exhibitor), Parent or Guardian, 4-H Leader or FFA Instructor Agreement of Responsibility and Liability:** It is clearly understood and agreed that the California State Fair and its officials, officers, directors, employees and agents (hereinafter collectively referred to as “State Fair”) shall not be responsible for any damage, loss or injury to any person or property which is caused directly or indirectly for any reason. The exhibitor, owner, parents or legal guardian, their agents and/or representatives, (hereinafter collectively referred to as “Participants”), agree to indemnify and hold State Fair harmless of any damage, injury or loss suffered during or in connection with the California State Fair Junior Livestock Show (or any other animal event or competition). In the event State Fair is subject to any expense or liability, including, but not limited to consultant fees, legal or court costs, State Fair management labor and expenses, expenses and/or costs for blood, tissue, urine, hide and/or carcass sampling and testing incurred as a result of State Fair rule and regulation violation and all agreements thereunder, including, but not limited to unethical fitting, filling, meat tampering, illegal or non-approved use of drugs, medication and/or prohibited substance(s) as a result of Participants involvement in the California State Fair Junior Livestock Show (or any other animal event or competition), Participant, or if participant is a minor, participants parent or guardian shall indemnify and hold harmless the State Fair for all damage, expenses, and liabilities incurred as a result thereof. Participant(s) may also be subject to criminal charges.
- 2.** The Participants will have full control, custody, care and feeding of any animal(s) and/or personal property which are brought on or about the premises of the California Exposition & State Fairgrounds.
- 3.** It is clearly understood between the Participants and the California State Fair that, as a material condition to any participant entering or showing at the California State Fair Junior Livestock Show (or any other animal event or competition), the State Fair will at no time have control, custody or care of any animal(s) and/or personal property which are brought on or about the California Exposition & State Fairgrounds.
- 4.** For the overall working of the show, the Participant will maintain control, custody, care and feeding for any and all animals and/or personal property in accordance with rules and regulations of the California State

Fair Junior Livestock Show (or any other animal event or competition), and in no way will State Fair be responsible for any loss or damage that may occur to or be caused by any animal or personal property.

5. By submitting an application for entry, Participants agree to comply with all rules and regulations governing the California State Fair Junior Livestock Show (or any other animal event or competition) as published in the California State Fair Junior Livestock Competition Guide. Further, Participants certify to the accuracy of the total ownership of the entry for the prescribed number of days, continuous possession and care, and the provisions of the rules against unethical fitting, filling, and/or alterations of conformation and color of animal(s), meat tampering and illegal or non-approved use of drugs, medication and/or prohibited substances on the entered animal.
6. All Junior Livestock Detailed Receipts must be signed by exhibitor, parent or legal guardian and their 4-H Leader, FFA Advisor, Grange Leader or Independent Junior Exhibitor's parent or legal guardian by the close of entries. The Detailed Receipt must obtain all required signatures and return the signed form to our office by the required deadline. Entries are not accepted until the Signed Detail Receipt is received in the Entry Office with all required Signatures.

Standard Protest

(Other than appeals for Disqualification and Forfeiture of Awards and/or Proceeds from Auction for Violation of Residue Avoidance Program or DNA)

7. Any protest must be made in writing and submitted to Sandi Montiero, Expo Events Account Manager. The protest must be made within 8 hours of the cause of the protest. Any protest submitted after the exhibitors are released will not be considered. All protests must be signed and accompanied by a deposit of \$300.00 (cash, money order or certified check) payable to the California State Fair. The deposit shall be forfeited if the protest is not sustained.
8. Protest must be based on a violation of rules and must state plainly the cause of complaint or appeal and set forth the facts relied upon or rule violated and must include the names of a minimum of two (2) supporting witnesses, including their phone numbers (both temporary while at the Fair and permanent) upon whom proof is to be made.
9. Judging procedures will not be interrupted for protest investigation; and depending on the basis of the protest, a decision may be withheld until a thorough investigation, and if necessary, a hearing is completed.

No complaint or appeal concerning a judge or judge's decision will be considered.

10. The protest shall be adjudicated by the Fair management. Fair management will consult with a member of the board of directors who shall be designated by the Chairman of the Board of Directors. The decision of fair management shall be final and unappealable.
11. All questions of dispute or differences not provided for under the rules and regulations shall be referred to the Species Superintendent Captain and Chief Judge whose the decision shall be final.
12. Any animal that is involved in a protest is eligible to compete until the protest is resolved. Any class which involves a protested animal will not be officially placed until the protest is resolved. In any Championship class involving that animal, the judge shall also select a 1st and 2nd Reserve Champion, in case of disqualification.

Protests

(Protests/Appeals for Disqualification and Forfeiture of Awards for Violation of Drug Residue Program or DNA Requirements)

13. All Protests from notice of disqualification of awards because of violation of Residue Avoidance Program or DNA requirements shall:
 - a. Be submitted in writing to Expo Events Account Manager;
 - b. The Protest must be actually received by the California Exposition & State Fair address of 1600 Exposition Blvd., Sacramento, CA, 95815, within 48 hours of receipt of notice of disqualification or forfeiture for violation of the Residue Avoidance Program; all notices of disqualification will be sent by Fed Ex to the exhibitors address listed on the Detail Receipt of the exhibitor at the time of entry. Notice will be deemed received 3 days from the date of mailing of the notice of disqualification;
 - c. Protest/appeal must be accompanied with a \$1,000.00 Protest fee made by (cash, certified bank check or money order) and payable to the California State Fair. This fee will be applied to the Protest process. If any portion of the fee is not used during the Protest process, the remaining amount will be returned;
 - d. Protestant may obtain testing of the urine/blood split sample at any qualified drug analysis laboratory at Protestant's cost. Protestant must notify Cal Expo of the intention to test the urine/blood split sample in the same writing when Protestant notifies Cal Expo of the Protest

within 48 hours of receipt of the notice of disqualification. If Protestant elects to test split sample at a qualified certified drug analysis laboratory, then Protestant must have urine/blood split sample tested within 10 days of notifying Cal Expo of the Protest and must direct the laboratory to send the final test report to Cal Expo within 14 days after the actual test date. If Protestant does not notify Cal Expo in writing of the intention to test the urine/blood split sample within 48 hours of receipt of the notice of disqualification, Protestant waives the option to test the urine/blood split sample and Cal Expo may dispose of the split sample at any time. The protestant agrees to pay for all costs associated with the transportation and testing of the urine/blood split sample.

14. Please take notice, that failure to appeal in writing within the 48 hour time frame of receipt of notice of disqualification, the disqualification shall be deemed final and unappealable.
15. In the event a written appeal is received in a timely manner, the appeal will be reviewed by a committee appointed by the Chairman of the Board of Directors of the California State Fair within a reasonable amount of time, and the decision of this appointed committee shall be final and unappealable. The Protestant will be given an opportunity to appear before the review committee and to present arguments and evidence.
16. After the review committee holds a hearing, within a reasonable time frame, the Protestant shall be notified by certified mail of the decision. This decision shall be final and unappealable.
17. No Protests of violations of the Residue Avoidance Program can be submitted if prohibitive substances are detected in samples taken prior to competition.
18. If the Protest concerns alleged a violation of the residue avoidance program or false identification of animal(s) based on the DNA program and require retesting of animals, the California State Fair will retest the animal(s) sample(s), once the above-stated conditions are met. If animal(s) test positive for a violative or undeclared residue or the DNA does not match, then the Protest fee will not be returned. The purpose of the fee is to offset DNA and drug testing expenses and to prevent frivolous protests. For this ground of protest, only one witness is sufficient for the protest.

Violations

19. The management shall reserve the right to vacate, declare ineligible for competition, and/or order the removal of any entry which is not in the best interest of the Fair, is unsightly, unhealthy, injured, lame, unsound, endangers public safety, violates the Fair's Animal Welfare Policies, or has been entered in violation of these rules and regulations.
20. Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him/her. Exhibitor agrees to indemnify, and hold harmless, the State of California, California Exposition & State Fair and all its officers, agents, and employees thereof from all claims, demands, damages, costs, expenses, or liability costs suits or actions of every name, kind and description, brought forth from or on account of, injuries to death of any person including but not limited to workmen, and the public, or damage to property resulting from the performance of the exhibitor or its entries. Neither party shall request an apportionment of liability by a jury.

LIVESTOCK RULES

Ownership & Registration Papers

1. Each animal entered must be owned by the exhibitor, and be a part of a project under the exhibitor's care and management, at least 30 consecutive days (by June 11, 2025) for all Breeding Animals, 60 consecutive days for Market Goats, Market Sheep and Market Swine (by May 12, 2025), 120 consecutive days for Market Beef, (by March 13, 2025) before the first day of the California State Fair, unless otherwise noted and except in classes which specifically do not require ownership by the exhibitor. Proof of ownership may be requested.
2. All animals in "breeding animal" divisions must be registered and recorded with the breed association in the exact name of the exhibitor (owner) as declared on the entry form, except:
 - a. For pigs less than 12 months of age and still owned by the breeder; litter registrations are acceptable if recorded with the breed association and if they identify the litter by birth date, sire, dam, and ear notching.
 - b. Exhibitors whose breed association requires an inspector's approval prior to registering may present a statement by the secretary of the association that the animal is otherwise eligible to be registered if the statement identifies the animal by birth date, sire, dam, and ear tag, tattoo or notching, and the animal will not be over 12 months of age on the opening day of the Fair.
3. Exhibitors who are members of junior organizations, such as FFA, 4-H, and others can exhibit livestock as members of a breeding partnership when:
 - a. The organization's name (i.e., Smith Family Holsteins) plus the junior's name is on the registration paper.
 - b. A junior's name and non-junior's name (i.e., adult) is on the registration paper.
 - c. Two individual junior's names but not necessarily limited to two juniors (i.e., three brothers and a sister in joint ownership) names are on registration paper.

In any of the above-listed cases, the project must be a bona fide project solely conducted by the junior who is exhibiting and the breeding partnership must have been issued on individual animals only, either male or female (no herd or group partnership is allowed).

4. Original Registration Certificates, including a Duplicate of an Original Registration Certificate **issued by a breed association**, or other documents mentioned above, must be available on request at any time. Photocopies or other duplicated copies of original documents, letters, telegrams, etc. **are not eligible**. If association allows, papers may be checked through exhibitors breed association accounts. Clerks are instructed to correct entry records exactly as shown on the certificate. All registration papers must be inspected & approved by the State's representative before entries are allowed to be judged.
5. Animals may not be entered or shown in more than one breed division unless specific show rules allow for such. Animals entered and shown in Junior show may show in Open show if entered and have met all open division requirements. All animals must be shown in the breed division in which they are entered. Furthermore, an animal is eligible to enter and compete in only "one" breed classification regardless if the animal is registered in one or more breed associations or registries. The animal must also be registered in the recognized U.S. Registry for their breed classification, or if registered in the country of origin outside the U.S., the animal must be eligible for registry in the recognized U.S. Registry.
6. No deviation from or alteration in the information on a registration certificate will be permitted unless clearance in writing is first obtained from the breed association and presented with the certificate. Evidence of any attempt to alter information on a registration certificate shall be reported immediately to the Division of Fairs & Expositions, and shall result in the disqualification of that exhibitor.
7. When the owner and breeder names are not exactly the same on the registration certificate, a statement from the breed association verifying that the various names are recognized as the owner and/or breeder, including owner's mailing address, must be presented to the State Fair Livestock Office before awards can be paid.
8. No junior exhibitor may exhibit an animal in a market class once it has been sold as a market animal through a fair junior livestock auction. These animals may be shown following the 30 consecutive day ownership requirement as breeding animals only.

Animal Identification

9. All animals (except market animals) shall be identified by a permanent number (ear tag, legible, easy-to-read tattoo, brand required by the breed association or ear notching) on the animal and recorded on the entry form. When identification numbers are in both ears and the numbers are

different, both numbers shall be recorded on the entry form. (Official California calfhood brucellosis vaccination ear tags, orange plastic, are acceptable; brucellosis vaccination tattoos are not). All animals with ear notching or tattoo identification must have been tattooed or notched prior to arrival at the Fair. This means that there will be no tattooing or ear notching at the show. No exceptions. When animal identification (i.e.; tattoo, ear notch, tag, etc.) is required to be listed on the official breed association registration papers, the identification information on the animal must match that which is listed on the registration paper in order for that animal to show.

10. An exhibitor may not use the same permanent marking on more than one animal of the same breed and sex during any 5 month period for swine, any two consecutive calendar years for sheep, or any 12 month period for all other livestock, except that all pigs in one litter may be marked the same.

DNA Ownership Requirements

11. For the purpose of enforcing ownership requirements, the California State Fair will require that any & all market animals, wether dam and wether sire sheep, crossbred gilts, and wether dam doe goats designated for entry in the 2025 California State Fair must have had a hair sample submitted by the exhibitor on or prior to March 13, 2025, for steers and on or prior to May 13, 2025, for market lambs, market hogs and market goats. Wether dam & wether sire sheep, crossbred gilt, and wether dam doe goat entries must have their DNA samples, DNA fees, and DNA registration form in our office no later than June 11. No market animal, wether dam and wether sire sheep, crossbred gilt, and wether dam doe goat entry will be eligible for official entry unless this sample is obtained and an official DNA Registration Form was completed and samples received by the deadline. All DNA samples in the first collection will be the responsibility of the exhibitor as required by the DNA collection packet and related collection procedures. Market Heifers do not require DNA in 2025.
12. Designated junior market animals, wether dam and wether sire sheep, crossbred gilts, and wether dam doe goats will be required to have a second DNA sample collected on their particular show day. Exhibitor must be accompanied by a parent, legal guardian or advisor at this time. From these two samples, a DNA Matching Analysis test may be run to verify that both samples match and confirm the identity of each animal. There will be no deviation from this procedure. Any animal not having a sample collected before the ownership deadline or at the Fair or both will not be allowed to enter or compete in the 2025 junior market beef, market goat, market hog, market lamb, wether dam/sire sheep, crossbred

gilt or wether dam doe goat shows respectively.

13. All Market Steer, Sheep, Swine, Goat, Wether Dam and Wether Sire Sheep, Crossbred Gilts, and Wether Dam Doe Goat exhibitors must request a DNA Collection Kit and complete the collection process by deadlines as listed in rules and online. Registration for receiving the collection kit must be done ONLINE at **CalExpoStateFair.com** by March 1 for market steers and May 3 for market hogs, market lambs and market goats. Wether Dam/Sire sheep, crossbred gilt and wether dam doe kits must be ordered by June 1. The Exhibitor will be responsible for the hair sample collection and the animal must be ear-tagged by the exhibitor at time of the first DNA collection. Exhibitor must be accompanied by a parent, legal guardian or advisor at this time. Ear tags are to be placed on the outside of the left ear with the numbers facing in the upright position so judge(s) and the clerk(s) may easily read your tags. Market Animals with no ear tag will not be weighed. Weigh-in schedule will be strictly enforced.
14. In the case where an animal sample of any species does not match after the DNA Analysis test, the animal in question will be disqualified, all awards must be returned, and premium money must be returned and all State Fair rules will be enforced. The owner/exhibitor and members of his/her immediate family may not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by Fair management. The State further reserves the right to test samples at any time after collection (i.e.; during the Fair and future years).
15. All DNA packets for “all” market species, wether sire/dam sheep, crossbred gilt, and wether dam doe goat entries must be ordered online. The Exhibitor will be responsible for the hair sample collection and the animal must be ear-tagged by the exhibitor at the time of first DNA collection. **All market animals must be ear-tagged prior to arrival at State Fair.**
16. The official DNA Ear Tag must be on the animal’s ear at all times or awards will not be paid. DNA ear tags cannot be tagged through another tag.

Uniform Requirements

17. All 4-H exhibitors must be in 4-H uniforms when showing their animals or be disqualified from the class. The official State Fair 4-H uniform for girls consists of a white dress, white blouse and skirt or white blouse and slacks, the green collar or 4-H tie and the 4-H Club cap. The official boys’ uniform consists of white pants, white long-sleeved or short-sleeved shirt, green 4-H tie, and the 4-H cap. All shirts/blouses must have a collar. Tank

tops or sleeveless shirts are not allowed. Advertising of any form on the 4-H uniform is not permissible. Any exhibitors not conforming to these qualifications will be disqualified from the class.

18. All FFA exhibitors must be in FFA uniform when showing their animals or be disqualified from the class. The official FFA uniform for boys is a white shirt with a blue FFA necktie, the official FFA jacket zipped to the top and white trousers. For girls the official uniform is a white blouse worn with the blue FFA scarf, the official FFA jacket zipped to the top and white slacks. The jacket may be omitted if the white shirt or blouse has the official FFA patch or sticker on the left pocket area. Hats are not acceptable.
19. All Grange Youth members may show in the organization's official uniform. Each Grange exhibitor has the option to wear either the "full" official uniform or "whites" as described in Rule #20 below. They cannot wear a combination of both. The official Grange uniform shall consist of dark blue denim pants; white long sleeved (short sleeve allowed in hot weather) button-front dress shirt with a collar; the official red vest with National Grange emblem on the back; black or brown belt with appropriate buckle; and closed-toed black or brown shoes with an enclosed heel.
20. All junior exhibitors (4-H, FFA, Grange, and Independent), entered in "open junior shows" or any Independent exhibitor entered in 4-H or FFA divisions must wear whites during competition. Official 4-H, FFA, and Grange uniforms are acceptable but not required. "Whites" shall consist of new-appearing, white trousers or skirt, and a new-appearing, white blouse or shirt. Hats are not acceptable, (exceptions shall be the official 4-H cap). Open toe footwear, shorts, t-shirts, tank tops, sleeveless shirts or clothing with any artwork or embroidery are not acceptable. Any exhibitors not conforming to these qualifications will be disqualified from the class.
21. Assistants present in the show ring must wear the official uniform or whites as described in Rule #20.

Fitting and Showing

22. To maintain a high degree of confidence in the livestock show, the California State Fair reserves the right to disqualify any animal(s) and the owner/exhibitor of that animal(s) that have been fitted in an unethical manner. Unethical fitting shall include any injection of gas, solid, or liquid under the skin (or mammary system) to alter the normal conformation. It shall also include any cutting or tearing of the hide or underneath the hide

or removal of tissue in an attempt to alter the shape of the animal. It shall also include attempts to disrupt or change normal dental development as well as dyeing or coloring the individuals which alter their natural coloration; also artificial tail heads or polls. Other specific violations include but are not limited to: liquid diets for all species (drenching); excessive shrinking; excessive exercising; tying animals with their front feet off the ground; showing animals with their front feet off the ground; not allowing animals to eat or drink for extended periods of time; icing animals down; using dog pinch collars/spike collars on any animal for any reason; electric stimulation; breaking of tails; the balancing of an udder and/or teats by abnormal means; physical abuse; and any attempts to change the degree of firmness of any individual shall also be considered unethical. Artificial means of filling animals internally is prohibited. This shall also apply to violations of the California State Fair's residue avoidance program.

23. The showing of unethically fitted livestock or livestock of any ineligible age for exhibition in the class entered is prohibited. Unethical fitting will be deemed to consist of any method of altering the natural confirmation of any part of the animal's body, including, but not limited to, airing, injecting, applying artificial material (inorganic or organic) to increase or decrease hair length or density, operations or other tampering with the animal's natural confirmation, use of organic or inorganic products to change the natural condition of internal or external tissue, using any product or device that may act as an irritant or counter-irritant or the illegal or improper use of drugs.
24. Animals showing signs of having been operated upon or tampered with or the purpose of concealing faults in natural confirmation or with the intent to deceive relative to the animal's age, soundness or physical appearance will, in the sole and absolute discretion of State Fair management, be disqualified. As a condition precedent to the participation in the Junior Livestock competition, every exhibitor must agree to submit any animal so entered to inspection by a licensed veterinarian appointed by Fair management, and agrees to have such animal submitted to any tests as may be designated and requested by the veterinarian, and agrees that the conclusions reached by the veterinarian shall be final and unappealable, without recourse against the veterinarian, the California State Fair or any of its officers, directors or employees.
25. No change of the natural color pattern of the animal by painting or dyeing will be allowed.
26. **Fitting Rule:** The intent of this fitting rule is that junior exhibitors

are primarily responsible for the fitting, grooming and/or showing of their own animals, without the physical assistance of adults and/or professionals. Physical assistance in the fitting, grooming, and showing of animals entered in the Junior Livestock Show may be performed by individuals, their parents, their leader/advisor or their siblings entered in the 2025 Junior Livestock Show. Any other assistant must further qualify by having been enrolled in a California Elementary or Secondary School within the last 12 months. Individual may not have passed their 18th birthday. Proof of enrollment must be provided by the school office upon request by Fair Officials.

27. Recognizing that some physical assistance may be required, individuals who are entered as Junior Livestock Exhibitors are allowed to physically assist in the fitting, grooming, washing and/or showing of an exhibitor's animal. Parents, Teachers, Advisors, may assist "present" exhibitors with the fitting, grooming and washing. Violation of this rule may result in disqualification.
28. Livestock shall be offered water at regular intervals throughout each 24 hour period while on grounds, and be fed as appropriate for each species. Excessive feed or water restriction or animals left unattended for extraordinary extended periods of time will not be tolerated and is a consideration for dismissal. Animals shall not be tied for prolonged periods to restrict access to food or water or for any other reason.
29. Drench guns are not allowed on California State Fairgrounds. Any drench gun found on California State Fairgrounds will be confiscated by State Fair staff and exhibitor/exhibit will be subject to disqualification and/or loss of premiums.
30. Animals will not be muzzled while on the fairgrounds.
31. To qualify to exhibit market lambs, lambs must be docked such that the ail (dock) can be lifted. Lambs that have been reduced or have complete tail removal will not be eligible.
32. Juniors, who for extraordinary reasons, cannot fit and/or show their own animals, must make arrangements for their fitting, care and showing that are acceptable to the Fair's management prior to the date for judging or be disqualified from the competition. Contact the Livestock Office to make these arrangements and receive permission in writing.
33. All animals in the livestock barns must at all times be properly cared for, and be thoroughly groomed and clean when presented in the show ring, all animals are required to be fit and groomed in a manner that is acceptable within the prevailing showing policy and/or trend as set by

the breed association or species. The Fair reserves the right to withhold premiums and/or disqualify stock that is not, in their judgment, in suitable condition.

34. Exhibitors will be required to fit and groom their animals in fitting areas designated by the State. Fitting areas will have specific boundaries and schedule limitations. Exhibitors not following these specific policies will be disqualified. Blocking Chutes, Generators, Pop up Tents, and/or Trim Tables will be assigned specific locations. Blocking Chutes, Generators, and Trim Tables not registered with the Livestock Office or those that are placed in unapproved locations shall be removed without warning and at the exhibitor's expense.
35. The showing of registered dairy cattle stimulates and sustains interest in the breeding of registered dairy cattle. It is also an important part of the promotion, merchandising and breeding program of many breeders. For these reasons, the Purebred Dairy Cattle Association (PDCA) believes that it is in the best interest of all breeders of registered dairy cattle to maintain a reputation of integrity in dairy cattle shows and to present a wholesome and progressive image of dairy cattle in the show ring.
 - a. PDCA endorses this Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations.
 - b. The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics. Dairy cattle exhibitors shall, at all times, deport themselves with honesty and good sportsmanship.
36. It is recognized that there are certain practices in the proper care and management of dairy cattle that are necessary for the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural, normal condition. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety, and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, or illegal or non-approved use of drugs, medication and/or prohibited substance, or residue.

37. The position of the Purebred Dairy Cattle Association is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

Grooming and Preparation

38. Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (1994), with specific breed characteristics taken into consideration by the show judge. In this connection, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance, and mobility. Specifically:
- a. External applications of cosmetics that affect the only appearance may be used, including by way of example hoof polishes and false switches.
 - b. The maximum allowable length of naturally growing hair anywhere on the top line is not to exceed 1". Exhibitors will be required to comply with this rule before the animal is allowed to enter the ring.
 - c. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is prohibited.
 - d. Externally sealing the teat end with a preparation that does not harm the animal's skin is permissible. Natural teat placement will be given preference over artificially positioned teats.

Violations: False, Deceptive or Unacceptable Practices

39. These practices are violations of the Code of Ethics and will be reported to show management and may be reported to the respective national breed associations:
- a. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
 - b. Treating the animal, particularly the udder, internally or externally:
 - I. with an irritant or counter-irritant,
 - II. using a device to artificially create or enhance the udder crease,
 - III. using other substances as detected by testing that causes changes in the udder to artificially improve the confirmation.
 - IV. plugging of teat canal with foreign substances.

- c. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management.
- d. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show.
- e. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the showgrounds.

Weigh-in

40. The only scales that will be used for the purpose of official weigh-in shall be those that are calibrated by the State and staffed by State Fair personnel. Exhibitor, parent, legal guardian or advisor must be present at weigh in. Portable Scales are not allowed on the fairgrounds.
41. All market animals are required to be weighed in by the schedule for that species. Any animal that does not receive an official weight during the designated time period shall be ineligible for competition. The State reserves the right to offer fresh water to any animal prior to official weigh-in at the show ring or at any other time.
42. If the exhibitor has a market animal that is weight sifted and as a result may not show in an individual class after passing the vet check, the exhibitor may use this animal for showmanship if and only if this animal is the only animal the exhibitor has brought to the Fair.
43. Re-weighing of market animals will only be allowed when the first weight is taken below the minimum or above maximum. The exhibitor must state to the Weighmaster immediately after the initial weight that they request a re-weigh. The second weight will be taken immediately following the initial weight, and the animals must be held in view of the weighmaster during this time. Second weight shall be final. **No exceptions.**
44. The California State Fair reserves the right to weigh market animals just prior to judging and anytime after judging. Market animals that have a variance of more than the amounts listed by species shall be disqualified. Maximum allowable weight variance shall be as follows:
 - a. Steers - Must be within 5% above or below the official arrival weight;
 - b. Market Lambs, Shep and Goats - Must be within 5% above or below the official arrival weight;

- c. Market Hogs - Must be within 6% above or below the official arrival weight; and
 - d. Crossbred Gilts - Must be within 15 lbs. above or below the official arrival weight
45. Pre-weighing of all market animals will occur at prescribed times only. Pre-weighing will be supervised by a Weighmaster. This pre-weigh is for the convenience of exhibitors and shall not be considered an official weight. Only one pre-weight will be allowed per market animal.
46. All Market animals will have the option of weighing in on the scale as an official weight. All weight cards must be submitted to the clerk at the scales. All animals must be breed classified at the scales. Scales will not remain open after the scheduled weigh-in time.

Judging

47. A complete exhibit eligible in more than one division and/or class shall be entered and judged only in the division and/or class for which it best qualifies.
48. The reputation and ability of a judge are considered during the selection process. Judges may have to explain their placings. This is part of the educational process which assists exhibitors and livestock producers to improve their herds.
49. The decisions of judges are final. Judges' decisions cannot be protested. When fraud, misrepresentation, error or collusion is discovered, the Show Management or appointed referee may change final placement.
50. The judge may disqualify any animal that is not sufficiently gentle to be shown with safety. The judge may not award premiums to any animals which show visible evidence of disease, deformity or lameness. No award will be made to entries eliminated under this rule.
51. Management reserves the right to combine or divide any class or division in a manner it deems necessary in order to assure adequate competition. In breeding classes where age classes are combined after the closing date, Rule #52 of this Section shall be applied on the basis of classes entered rather than classes shown. In the event of a show change as a result of this rule or where classes are established after the close of entries, premiums and awards shall be distributed, divided or eliminated in a manner as deemed necessary by Fair Management.
52. Any specie division (breeding show only) with less than 15 head entered by less than 3 exhibitors at the close of entry deadline (June 11) may be

transferred to the species All Other Breed division. The premium amount from the original division will not transfer to the species All Other Breed division. All exhibitors will be contacted by management to verify if the exhibitor would like to continue their participation in the species All Other Breeds division or the exhibitor will be offered the option to have the original division entry fee's refunded.

53. Each entry shall be assigned an entry number by the Fair Management. Exhibitors must wear their assigned numbers while showing their animals.
54. Junior Division "Supreme Champions" are NOT eligible to compete for Supreme Champion in the Open Division unless the animal qualifies as required within the Division in which it competed.
55. Group entries must be made up of animals of the same breed, and each animal in a group must be owned by the exhibitor only. (Chapter and County Groups excluded).
56. No exhibitor shall receive more than two cash awards in any one class. For the purpose of this rule only, a husband, wife, and unmarried children (including foster children) less than 18 years of age shall be considered as being one exhibitor, except that brothers and/or sisters shall be considered as being separate exhibitors in Junior Department classes. This rule shall have no bearing on consideration in the placing of entries by judges. Ribbons shall be presented in the order of placing by the judges. The management shall, however, pay third money to the fourth winner, etc., when the third winner is prohibited from receiving third cash award under the provisions of this rule. (Any entry or exhibit where one or more members of the family described above have a financial interest shall be included in the limitation of no more than two cash awards per class.)

Veterinarian and Tissue Collection

57. Livestock exhibitors will be responsible for all veterinary fees applied to their animals. The state may at its sole discretion require an autopsy of any animal that may die while on the fairgrounds. Autopsy fees will be the responsibility of the exhibitor.
58. Removal of animal tissue other than hair or wool from any livestock unless performed by the state's designated veterinarian is considered a violation of rules and the state's animal welfare policy. Violators shall be sanctioned and reported to authorities.

Stalling, Pens and Tie Outs

59. Pens and stalls will be assigned by the Fair management. Space may not be traded without the approval of the supervisor in charge. No altering

of pens or stalls is allowed without similar approval. Straw or Shavings shall be used for bedding for all animals exclusively. Animals' pens must be bedded at all times. No large watering troughs allowed in the livestock area. Exhibitors who use shavings instead of straw must clean their pens before leaving. Exhibitors must clean their pens and alleyways before obtaining a release. Beef and Dairy animals using shavings must bring the shavings out from the panels 12 inches before leaving and obtaining a release.

- a. Stalling Request Forms will be available online. Requests will not be taken over the phone, on Detailed Receipts or post-it notes. Only one Stalling Request Form will be accepted per exhibitor. Requests are not guaranteed.
60. Stalls, pens, and animals must be neatly kept and supplied with necessary clean bedding. Pathways and approaches must be kept clean at all times for the convenience and safety of spectators. All fans, tack boxes, blocking chutes/tables and any other equipment/supplies must be kept within the tie space or pen (not in pathways or approaches). No exceptions. Electrical cords will not be allowed to lay on the ground outside of the exhibitors stall, pen or tack space. No electrical cords are allowed in any public walk spaces. The number of fans may need to be limited per exhibitor or animal based on space available. Stalls, pens, and aisles must be cleaned by 7:30 a.m. each day. Failure to adhere to these safety and cleanliness rules may result in disqualification or forfeiture of premiums.
 61. The Fair does not provide wheelbarrows or any tools for cleaning (pitchforks, shovels, hoses, brooms, etc.).
 62. Tie out stalls are not assigned. Cattle may be tied out at 6:30 p.m. daily and not before. Tie-out time will be strictly monitored by management. Exhibitor's that do not adhere to this schedule shall have all premiums forfeited. It is recommended that neck ropes be used in the tie out areas. Cattle placed in the tie-outs are done so at the exhibitor's own risk. It is the exhibitor's responsibility to clean area prior to departure from the California State Fair.
 63. No nurse cows are allowed in the livestock barns. The recipient or host cows with embryo transfer calves must be identified and must match the ID number on Transplanted Embryo Certificate provided by the breed association. This certificate must be presented with the calf's registration papers. The natural mother may be brought to nurse a calf entered in the show.

64. State Fair will “not” provide any bedding for exhibitors. The State will arrange for a feed vendor on the grounds that will make straw and shavings available for sale.
65. No manure allowed in garbage bins.
66. Please be advised, if you remove or rearrange a panel in your assigned pens you will be required to return the panels to their original location before a release slip is issued. Failure to do so will result in a \$50.00 back charge for each panel our staff has to re-install to its original configuration. Barn assignments will be used to back the bill, so make sure if you change locations in the barns that your show superintendent knows your final location.
67. Only animals entered in the 2025 California State Fair may be on grounds.

Equipment

68. **BLOCKING CHUTES:** A fee of \$25.00 will be charged for each blocking chute. The State Fair reserves the right to limit the number of blocking chutes per chapter, club or individual. All blocking chutes must be registered with the Livestock Office. Upon arrival at the Fair, a numbered I.D. tag will be assigned and must be attached to the blocking chute. Spaces will be assigned. No blocking chute will be allowed in spaces other than those assigned by the Beef Supervisor. Failure to keep blocking chutes in assigned locations or properly identified shall result in disqualification and/or loss of premiums.
69. **BLOCKING TABLES:** A fee of \$10.00 will be charged for each sheep blocking table. The State Fair reserves the right to limit the number of blocking tables per chapter, club or individual. All blocking tables must be registered with the Livestock Office. Upon arrival at the Fair, a numbered I.D. tag will be assigned and must be attached to the blocking table. Spaces will be assigned. No blocking table will be allowed in spaces other than those assigned by the Sheep Supervisor. Failure to keep blocking tables in assigned locations or properly identified shall result in disqualification and/or loss of premiums.
70. **POP UP TENTS:** A pre-registration fee of \$30.00 will be charged for each popup tent registered and paid for by the official entry deadline of June 11. A post registration fee of \$40.00 will be charged for each popup tent registered and paid for after the official entry deadline. The State Fair reserves the right to limit the number of pop up tents per chapter, club or individual. All Pop Up Tents must be registered with the Livestock Office. Upon arrival at the Fair, a numbered I.D. tag will be assigned and must be attached to the popup tent. Pop up tents must be 10'x 10' or smaller. Side

walls on tents are not allowed Junior Week, July 10-13.

71. **GENERATORS: No generators will be allowed to operate within the Livestock Pavilion.** All generators must be operated outside the Pavilion and must be stored out of sight when not in use. There is a \$35 charge per generator permit. Portable electric generators whether owned, rented or borrowed, which are operated by an exhibitor at the California State Fair, must be equipped with Ground Fault Interrupter (G.F.I.) outlets. **No exceptions.**
72. **PORT-O-COOLS:** Port-O-Cools will require a \$35 permit fee to be on grounds. The State Fair reserves the right to limit the number of Port-O-Cools per exhibitor.
73. **No gas cans are permitted inside the livestock barns.**

Show Schedule, Arrival and Departure

74. Each exhibitor shall be expected to show animals in accordance with the schedule for judging as printed in the Competition Guide or posted. The schedule is subject to change by Fair Management, and such changes will be posted or announced at the Livestock Office. Judging will not be delayed for exhibitors entering the show ring late. Any exhibit not presented promptly at the scheduled time will be ruled out and be barred from competition in the class in question.
75. All livestock exhibitors are required to have themselves and their animals available to parade or be presented in any special exhibits or exhibit areas, as requested by Fair Management. Those exhibitors chosen for parade must appear in their official uniform.
76. Exhibitors that arrive after official arrival time as scheduled in this Competition Guide may be subject to the following:
 - a. Some or all entries may not be allowed to show.
 - b. Pens or ties may not be available
 - c. A penalty of up to \$100 per exhibitor may be assessed and must be paid prior to judging.
 - d. A charge for veterinary fees for health examinations may be assessed to each exhibitor
77. Releases will be scheduled beginning at the time listed in the Competition Guide, with releases being given to those exhibitors traveling the furthest distance first. Schedule of releases to be determined by Fair Management. Emergencies such as a sick or injured animal, may, at the discretion of Fair Management, require proof in the form of a Veterinarian's certificate.

Exhibitors not adhering to this rule will be subject to disqualification at the current and all future California State Fairs and/or loss of premiums, awards, and titles.

78. Exhibitors that leave the fairgrounds with livestock with no official approval prior to the scheduled approved release time are considered in violation of rules and subject to sanctioning which will include disqualification of entries, awards returned, premiums not paid and/or exhibitor not being allowed to show at any subsequent CA State Fairs.
79. Supreme Champion Judging (including Cow-Calf), Round Robin Showmanship, Master Showmanship, and Champion Challenge Exhibitors that qualify to compete in these events must participate in the events as scheduled or all premiums awarded for the current year will not be paid.

General

80. All personal belongings must be placed out of sight during the hours the Fair is open. No sleeping overnight shall be permitted in the barns.
81. Any exhibitor and/or junior exhibitor's family member or agent who has outstanding financial accounts with the California State Fair will not be allowed to enter or exhibit at the California State Fair.
82. No milk produced in the barn is to be sold or given away on the grounds. Exhibitors are encouraged to bring their own milking equipment. Milk must be removed from the fairgrounds or dumped at a site designated by State. All exhibitors' milking utensils must be stored out of sight when not in use.

Dogs

83. No dogs are allowed on the Fairgrounds. Guide or Service dogs, dogs in competition or as part of an exhibit, entertainment program or demonstration, and 4-H dog show entries are the only exceptions. Any dog found in the livestock barns will be subject to removal by State Fair Security or Animal Control, and the exhibitor subject to disqualification and/or loss of premiums.

Photographs

84. Photographs of Champions and any other livestock entry or livestock exhibitor may be taken by the Official State Fair Livestock Photographer(s). Exhibitors must make themselves and their livestock available for the taking of photographs. The official photographs become the property of the California State Fair. Exhibitors may purchase

photographs from the Official State Fair Livestock Photographer. All Champions and Reserve Champions are required to have a photograph taken by the official photographer. The State reserves the right to publish for its intended use, any and all photographs taken on the Cal Expo Grounds. Participants and their families, advisors, and leaders approve the reprinting or publishing of any photo taken on the fairgrounds upon signature of entry.

Code of Ethics

85. The California State Fair, as a member of the International Association of Fairs & Expositions is uniting with other member fairs in an effort to support the ethical and humane treatment of all animals exhibited at the Fairs as well as reinforcing the educational emphasis of competitive programs for animals and maintaining the highest integrity standards of all participants. The California Exposition & State Fair has adopted the I.A.F.E. Show Ring Code of Ethics Guidelines for our Livestock Shows and reserves the right to disqualify any animal or exhibitor that has violated those specific guidelines. The Dairy Shows will be enforced by the Purebred Dairy Cattle Association (PDCA) Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations. A copy of the codes is available upon written request.

Definitions

The following definitions apply:

- **Registered Animal** - An animal which is recorded with a recognized governing or registering association.
- **Purebred Animal** - Animals breeding whose sire and dam traces directly to registered animals of the same breed.
- **Grade Animal (except for Dairy Goats)** - An animal whose sire is registered or purebred and whose dam is of unknown or mixed origin.
- **Recorded Grade Dairy Goat** - All animals registered Experimental (Blue Border Certificate) or recorded (Brown Border Certificate) including Native on Appearance and Native on Performance.
- **Crossbred Animal** - An animal that is not registered or purebred.
- **Nurse Cow** - Any cow nursing a calf.
- **Open Junior Show** - An official junior exhibitor show with no designated club affiliated divisions. All junior exhibitors, regardless of club affiliation, shall compete together in the same classes.

- **Livestock** - For the purpose of this guide, Livestock shall be considered any animal that is entered, in competition or on exhibition at the Fair.
- **Breeding Animal** - Any animal entered in a non-market class and intended for use in reproduction.
- **Market Animal** - Any animal entered in a terminal based market class/ division and intended for slaughter prior to reproductive maturity.

QUALITY ASSURANCE & ETHICS AWARENESS TRAINING POLICY

The California State Fair is committed to the Quality Assurance and Ethics Awareness training program. As a requirement for entry, **all junior livestock** (market, breeding, dairy, and small animals) exhibitors are required to complete YQCA training prior to July 3, 2025. If the exhibitor took YQCA for the 2024 California State Fair, the class does not need to be taken in 2025. A copy of the certificate needs to be submitted with the exhibitor's entries.

California State Fair approved Online Quality Assurance and Ethics Awareness Training Program

- Youth for the Quality Care of Animals (YQCA) is a national multi-species Quality assurance program for youth ages 8 to 21. This online annual education and certification program promotes food safety, animal well-being, and character awareness. The YQCA program is owned and managed by Youth for the Quality Care of Animal nonprofit.
- The YQCA certification program requires a \$14 fee. You will receive a confirmation number upon meeting the certification requirements. You will need that number when entering the California State Fair through ShoWorks. A photocopy of the certificate is required to be submitted with the signed detailed receipt.
- Learn more about YQCA and how to enroll at <http://yqca.org/>.
- YQCA must be valid through July 13 for Junior Livestock Exhibitors, July 17 for Small Animal Exhibitors and July 19 for Junior Dairy Exhibitors. If YQCA was taken in 2024, your certificate will still be valid for the 2025 California State Fair.

FAIR CATTLE BRAND INSPECTION & MOVEMENT REQUIREMENTS

Brand Inspection Requirements For Cattle Moving to the Fair

1. Cattle slated for a show/sale at a fair must have proof of ownership. Cattle arriving at fairgrounds without meeting inspection requirement cannot be sold and are subject to being held by the California Department of Food and Agriculture, Bureau of Livestock Identification.
2. All cattle sold at auction on the Fairgrounds will be brand inspected prior to the auction. Cattle entering California must meet California Brand Inspection requirements, please see above.
3. Original Brand Inspection paper and/or bill of sale must be presented to the weigh master at the official weigh-in and must be available for inspection at all times.

Proof of Ownership

CALIFORNIA-ORIGIN CATTLE

Proof of Ownership consists of:

1. Brand Inspection Certificate in the Exhibitor's Name issued at the time of original purchase; or
2. Saleyard Out billing in the exhibitor's name; or
3. Completed Bill of Sale to the exhibitor with a state brand inspector's authorization of release for inspection at the destination. The request for verbal release must be made by the seller prior to the exhibitor taking custody of the animal and include the date, inspector's name and phone number. The animal may not be resold without physical brand inspection.

OUT-OF-STATE CATTLE

Proof of Ownership consists of:

1. A Brand Inspection Certificate in the exhibitor's name must accompany cattle originating from states requiring brand inspection.
2. Cattle originating from states not requiring brand inspection must be accompanied by a health certificate or original Bill of Sale in the exhibitor's name. If a Bill of Sale is used it must include the origin and destination, exhibitor's and seller's names, addresses, and phone numbers, and the animal's physical description including any identifying markings (California Food and Ag Code 21702, 21703).

Movement of Cattle to the Fair

1. A Bill of Sale or Consignment Form (yellow slip) is mandatory for each load of cattle and calves being transported. Fairs are encouraged to provide a Bill of Sale or Consignment Form to assist exhibitors in moving their animals to the fair (California Food and Ag Code 21054).

Brand Inspection Requirements for Cattle Prior to Sale:

1. Cattle for sale at the fair must be brand inspected by a California Brand Inspector prior to sale (California Food and Ag Code 21051f).
2. Fairs must coordinate brand inspection date and process with the local brand inspector prior to the fair. The fair will be invoiced for the brand inspection fees of the sale cattle.
3. Cattle sold privately at the fair also require a state brand inspection. It is the seller's responsibility to arrange for inspection and pay the associated fee to the brand inspector.

Movement of Cattle from the Fair

1. Non-Sale Cattle:
 - a. A Bill of Sale or Consignment Form (yellow slip) must accompany breeding cattle destined to California location.
 - b. Non-sale market cattle should receive back their original brand inspection papers.
2. Sale Cattle:
 - a. Junior Livestock Auction sales slip describing the animal, brand and brand location (Yellow slip is not required if the animal is going directly to processing); or
 - b. Copy of state brand inspector's Tally Sheet (going to processing); or
 - c. Individual animals' brand inspection slip (private sales).

Beef Promotion Fees

1. (\$1.05 per head sold at the fair) will be invoiced with the brand inspection fees for all cattle. California Department of Food and Agriculture will forward these fees to the California Beef Council.

Cattle Transportation Notice

1. Local law enforcement and California Highway Patrol, in cooperation with the livestock industry routinely make vehicle stops for cattle inspection.

For further assistance, please contact the local brand inspector or the Bureau of Livestock Identification, Department of Food and Agriculture, 1220 N Street, Sacramento CA 95814. *Phone:* (916) 654-0889

CALIFORNIA STATE FAIR RESIDUE AVOIDANCE PROGRAM

In an effort to increase awareness of responsibilities associated with the production of consumer-oriented products, the California State Fair requires exhibitors of market animals to sign a Medication Declaration Form. It is also required that breeding animals on medication also declare such treatment on a Medication Declaration Form. If an animal requires medical treatment while on the fairgrounds, only a licensed veterinarian will be allowed to administer any drug, chemical or feed additive. An exhibitor may choose a licensed veterinarian other than the official State Fair veterinarian, but the official State Fair veterinarian MUST be notified in advance, and he/she MUST be present. Furthermore, The Official State Fair Veterinarian, in agreement with Show management, reserve the right to treat any animal if, in the opinion of the Official State Fair Veterinarian, it is in the best interest of the animal's health and well-being to be treated. All treatment costs are the responsibility of the exhibitor. All animals treated on the fairgrounds must submit a Medication Declaration Form. This form acknowledges the use of any substance in/on the animal for which the required withdrawal period has not completely elapsed prior to arrival at the Fair. This includes substances used per label or in an extra-label fashion. All extra-label drug usage MUST be done under the supervision of a licensed veterinarian, and their contact information is required. Any animal requiring medically necessary treatment within 48 hours of competition may need to be withdrawn from competition if hydration status, mentation or gait will be affected by the necessary treatment. The intent of the program is not to prevent medically necessary treatment, but to ensure the animal's well being and, fair competition. The decision of the Fair's committee in regards to eligibility for competition shall be final.

The California State Fair is continuing its Residue Avoidance Program and reserves the right to test any animal officially entered in any division at any time without notice, for foreign substance including but not limited to drugs, chemicals or feed additives.

Compounds tested for may include but are "not" limited to:

- Antibiotics
- Local Anesthetics
- Non-Steroidal Anti-Inflammatory Drugs
- Diuretics
- Sedatives/Tranquilizers
- Steroids/Growth Promotants

Note to Parents/Legal Guardian, Leader/Supervisor

By signing the Detailed Receipt each parent/legal guardian acknowledges that:

1. He/she has read the California State Fair Junior Livestock Competition Guide Rules (General, Livestock, and Special) and Regulations;
2. The Junior Exhibitor has owned, fed and cared for the animal(s) throughout the required ownership period. He/she has supervised the Junior Exhibitor and the Junior Livestock animal(s) have not had any drugs, chemicals, feed additives, or other substances used on them except pursuant to the label specifications, or unless under the direction and supervision of a licensed veterinarian for therapeutic purposes. All drugs, chemicals, feed additives or other substances for which the required withdrawal period has not elapsed prior to arrival at the Fair must be declared on a Medication Declaration Form at official weigh-in;
3. He/she has supervised the Junior Exhibitor and the Junior Livestock animal(s) have not been tampered with in any way, including but not limited to, unethical fitting or any method altering the natural conformation of any part of the animal(s) body;
4. He/she understands the penalties for violating the General, Livestock & Special Rules and Regulations; including but not limited to monetary penalties, and the immediate disqualification of the Junior Exhibitor.

Residue Avoidance Policy

1. The California State Fair reserves the right to test any animal officially entered in any division at any time without notice, for any foreign substance including but not limited to drugs, chemicals or feed additives as well as DNA testing. At a minimum, some animals from the following groups will be tested: Champion and Reserve Breed Champions and; any animals suspect in terms of unusual physical appearance, demeanor or activity. As a condition precedent to accepting an entry, an entry form signed by the exhibitor, FFA (Agricultural Science) Instructor, 4-H Leader, Grange Advisor, Parent or Legal Guardian grants the CA State Fair permission to test any entry.
2. Testing may be performed on any body tissue, blood or fluid on both the live animal and the carcass.
3. Test samples collected from all animals must have zero tolerance for any identifiable or unidentifiable foreign substances including drugs (legal & illegal), chemicals of any kind or feed additives unless established as permissible by the USDA or FDA or disclosed on the Medication Declaration Form.

4. If an animal has been administered a drug that is FDA approved for its species and class, sufficient time must have passed so that the animal does not test positive for that drug upon arrival at the California State Fair. Animals must remain free and clear of all drug and chemical residues while on show grounds unless being treated by the State Fair veterinarian or a licensed veterinarian while the State Fair veterinarian is present. Please note that elimination time (the time it takes for no drug residue to be found in the system) is generally longer than the labeled withdrawal time for most approved drugs.
5. The showing of any animal that has been administered during its life any quantity of any unapproved drug, chemical or medication is strictly prohibited. Such drugs include, but are not limited to, any diuretic, unapproved growth stimulant or other unapproved medication. Unapproved means not approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals including animals that may be destined for human consumption.
6. Animals testing positive to an unapproved foreign substance including but not limited to drugs, chemicals or feed additives, will be disqualified and declared ineligible to receive awards or premium money. In addition to the disqualification and forfeiture of awards, and/or premiums, the State Fair may release to the media the name of the exhibitor, leader, advisor and the name of the exhibitor's animal that was disqualified and was in violation of the Drug Residue Program.
7. If entry is disqualified, the entry and/or the exhibitor will be declared ineligible and will not receive awards and/or premiums, further the exhibitor will be responsible for payment of all fees (including attorneys' fees), fines, and costs incurred by Cal Expo as a result of the disqualification and any proceeding related to the disqualification. The owner/exhibitor and members of his/her immediate family may not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by Fair management.

Wholesome Assurance Statement

8. The use by non-veterinarians of animal drugs or other substances in any manner other than in accord with the labeling approved by the FDA is a violation of federal law.
9. Abuse of the extra-label privilege by veterinarians is unethical and is

subject to serious consequences such as license revocation.

10. Any food animal must not exceed FDA/EPA/USDA established tolerances for any foreign substances including drugs, pesticides, feed additives or other chemicals.
11. Violative results of residue testing are subject to investigation by the USDA and FDA for prosecution.
12. Any misrepresentation of a food animal that can potentially affect the acceptability of the carcass or milk will be considered fraud.

Violations

13. If a Junior Exhibitor be found in violation of any of the Livestock Show rules, he/she and his/her family may be forever barred from showing at the California State Fair.
14. **Post Mortem Examination:** The California State may require a post mortem examination of any animal which dies at the State Fair. This will be performed by a licensed veterinarian at the expense of the exhibitor.

Notice to Junior Livestock Exhibitors

15. **Residue Avoidance test fees:** any fees related to testing any animal or carcass as required by The California State Fair, U.S.D.A or F.D.A. or food processor will be charged to the junior exhibitor.

Policy for 2025

16. If animal tests positive on the original residue test screen, the exhibitor shall be responsible for paying for the confirmation test. If the exhibitor fails to pay or post fees for the confirmation test, the animal in question will be declared ineligible.
17. It is the policy and rule of the California State Fair that no animal which is entered for competition in the State Fair shall contain any trace residues of any substance which are not approved by the Food and Drug Administration (FDA) and/or the United States Department of Agriculture (USDA) for slaughter animals, unless disclosed on the Medication Declaration Form.
18. It is the sole responsibility of the Exhibitor to ensure that the animal is free of the prescribed drugs and substances listed on page 54. Extent of knowledge on the part of the Exhibitor with regards to the drugs or substance found in an animal is not relevant to any issue, and it shall not be the defense that person or persons unknown introduced the proscribed substance into the animal prior to, or at arrival, or after arrival on the State Fair property.

19. Personnel (employees and contractors) of the California State Fair, other approved departments (and their representatives) within University of California at Davis, California Polytechnic State University, San Luis Obispo, and Pomona, California State University at Fresno or Chico, Modesto Junior College, University of California at Davis Veterinary Medical Teaching Hospital, FDA, USDA, California Department of Food and Agriculture, California Department of Health or any other representative approved by the California State Fair reserve the right to take urine, blood, hair and other body tissue samples from any animal or its carcass at any time without notice, for the purpose of determining whether there is any residue of any substance found within the body of the tested animal. The exhibitor, by entering his/her animal, expressly agrees that he or she will cooperate with the person or persons charged with the responsibility of taking the sample from the animal at the time of arrival, weigh-in, during the show or any other time the animal is on the California State Fairgrounds. Failure to fully cooperate with testing procedures, and/or representatives collecting samples shall indicate a voluntary withdrawal by the Exhibitor of the animal from the competition, and result in the immediate disqualification of this project and automatic loss of participation privileges in all future California State Fair competitive events.
20. All samples shall be taken by persons designated by the California State Fair and tested in an approved Laboratory. Reasonable care will be taken with regard to maintaining the purity and identity of the sample. The only chain of custody required will be that routinely relied upon by veterinarians practicing in and around the **Sacramento County Region**.
21. As samples are taken, the Junior Exhibitor, a parent or legal guardian and/or a leader/supervisor shall be present to view the procedure. Upon collection of a sample, the Junior Exhibitor, and a parent or legal guardian or leader/supervisor shall provide their signatures to acknowledge that the sample was collected from the Exhibitor's animal.
22. In the event that any animal is disqualified as a result of the violation of any of the rules found within the Residue Avoidance Program, or the animal is voluntarily withdrawn from the competition as a result of failure to cooperate with the testing procedures, then the Exhibitor shall immediately return awards and/or premiums previously presented.
23. By making an entry in the California State Fair Livestock or Small Animal Program, the Exhibitor, a parent or both parent(s)/legal guardian(s) and project leader/supervisor agree to abide by this Residue Avoidance Program.

ANIMAL HEALTH RULES

General Rules for All Species

1. Veterinarians and veterinarian assistants provided by the Fair shall check all livestock upon arrival and before unloading for proper health certificates, signs of communicable disease, external parasites, unsightly disease conditions, and any wounds, open or closed, that may be contagious. Veterinarians and veterinarian assistants shall have the right to enter any pen or tie area to inspect an animal. Any animal found to be in an unsafe or unsightly condition will be quarantined in a designated area and then dismissed from Cal Expo facilities as soon as possible. The State Fair veterinarians' decision will be final. Specific health conditions that may warrant quarantine and/or dismissal are active ringworm, warts, sore mouth, infectious scours or dysentery, pinkeye, lice, mites, footrot, infectious pneumonia and abscesses which are balding showing hair separation, open, draining or still scabbed. Animals having surgical sites resulting from abscess removal are unacceptable if they have sutures (stitches), scabs or are draining. Animals that are lame or injured will also be dismissed at the direction of the State Fair veterinarian. Healed skin conditions may be sufficiently unsightly to warrant dismissal. (Lesions are considered active until skin is normal and hair regrowth is evidence.)
2. Each exhibitor will receive a Veterinarian health check form upon completion of the animal inspection. Each exhibitor will submit this form upon presentation of registration papers/official weight or animals will not be allowed to show.

Cattle Health Rules

CATTLE ENTRIES FROM CALIFORNIA

1. All female dairy cattle four (4) months of age and over must bear evidence of official calthood vaccination against brucellosis with a legible, official tattoo visible in the right ear.
2. Owners of Purebred Registered dairy cattle without brucellosis tattoos must present documentation certifying brucellosis vaccination, or written documents showing the animal has an exemption from CDFA, AHFSS.
3. All dairy cattle need official identification (ID).
4. Acceptable methods for Official Identification of cattle include:
 - a. Brucellosis calthood vaccination tags
 - b. USDA metal "silver brite" tags

- c. Tags conforming to Animal Identification Number (AIN) system (commonly known as 840 tags)
- 5. It is unlawful to remove official identification. Requests to remove an official ID ear tag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the tag. The request must include a photo of the ID, the reason the ID must be removed, and all other official ID ear tags on the animal.
- 6. Fairs will keep records of the consignor, buyer, and animal identification for five (5) years when animals change ownership in a public sale at the fair.

CATTLE ENTRIES FROM OTHER STATES

- 1. All exhibition cattle entering California require official individual identification (ID), an Interstate Certificate of Veterinary Inspection (ICVI) obtained within thirty (30) days before moving into the state listing official ID and a California entry permit prior to entry.
- 2. Acceptable methods for Official Identification of cattle include:
 - a. Brucellosis calthood vaccination tags
 - b. USDA metal “silver brite” tags
 - c. Tags conforming to Animal Identification Number (AIN) system (commonly known as 840 tags)
- 3. It is unlawful to remove official identification. Requests to remove an official ID ear tag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the tag. The request must include a photo of the ID, the reason the ID must be removed, and all other official ID ear tags on the animal.
- 4. Testing and/or vaccination requirements are:
 - a. All female dairy cattle four (4) months of age and over must bear evidence of official calthood vaccination against brucellosis with a legible, official tattoo visible in the right ear.
 - b. All sexually intact dairy cattle six (6) months of age and over require a negative tuberculosis (TB) test within 60 days prior to entering California or must originate from a TB accredited free herd with documentation of the herd number and test date.
 - c. If originating from a designated brucellosis surveillance area, a negative test is required within 30 days prior to entering California.
 - d. All bulls 18 months of age and over and non-virgin bulls less than 18

months require a negative Trichomonosis test within 60 days prior to entry *except bulls for exhibition, confined to exhibition location, without access to mature females cattle that will return directly to the state of origin after exhibition.*

Sheep and Goat Health Rules

SHEEP AND GOAT ENTRIES FROM CALIFORNIA

1. All sheep and goats entering fairs require official individual identification that must be kept on the animals. Acceptable official identification includes:
 - a. Scrapie ear tags, such as flock ID tags or serial tags
 - b. Legible registration tattoos in the ears (or tail-web of La Mancha goats) if accompanied by breed association registration certificates.
 - c. Tags conforming to Animal Identification Number (AIN) system (commonly known 840 tags)
 - d. Electronic implants (microchips) that are ISO compliant and begin with 840, only when accompanied by registration certificates and an implant reader/scanner
2. It is unlawful to remove official identification. Requests to remove an official ID ear tag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the tag. The request must include a photo of the ID, the reason the ID must be removed, and all other official ID ear tags on the animal.
3. Fairs will not accept:
 - a. Animals from scrapie-infected flocks, scrapie source flocks, scrapie “non-compliant” flocks
 - b. Animals that are scrapie-positive, scrapie suspects or scrapie exposed unless they have been evaluated and approved for exhibition by the state scrapie epidemiologist.
4. Fairs will keep records of the consignor, buyer, and animal identification for five (5) years when animals change ownership in a public sale at the fair.
5. Fairs will try to accommodate Scrapie Flock Certification Program members with separate space if practical. Breeding animals should be housed in separate enclosures or locations from animals that are not in the certification program, if practical.
6. Sheep or goats within 30 days pre-or post-parturition, or with vaginal discharge, shall if practicable, be kept separate from animals from different flocks and in an area that can be properly cleaned and disinfected.

SHEEP AND GOAT ENTRIES FROM OTHER STATES

1. All exhibition sheep and goats entering California require official individual identification (ID), an Interstate Certificate of Veterinary Inspection (ICVI) obtained within thirty (30) days before movement into the state with a scrapie statement “The animals are not scrapie-positive or suspect or from a scrapie non-compliant flock” and listing the official ID and a California entry permit prior to entry.
2. Acceptable official identification includes:
 - a. Scrapie ear tags, such as flock ID tags or serial tags
 - b. Legible registration tattoos in the ears (or tail-web of La Mancha goats) if accompanied by breed association registration certificates.
 - c. Tags conforming to Animal Identification Number (AIN) system (commonly known 840 tags)
 - d. Electronic implants (microchips) that are ISO compliant and begin with 840, only when accompanied by registration certificates and an implant reader/scanner
3. It is unlawful to remove official identification. Requests to remove an official ID ear tag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the tag. The request must include a photo of the ID, the reason the ID must be removed, and all other official ID ear tags on the animal.
4. Rams six (6) months of age and over imported into California require a negative *Brucella ovis* test within 60 days before entry OR originate from a *Brucella ovis* free flock. The ICVI must include the official ID number, test results, name of the approved laboratory, date of the test, or the “*Brucella ovis* free flock number.”

Swine Health Rules

SWINE ENTRIES MOVING INTERSTATE AND FROM OTHER STATES

1. All exhibition swine entering California require official individual identification (ID), an Interstate Certificate of Veterinary Inspection (ICVI) obtained within thirty (30) days before moving into the state and listing official ID and a California entry permit prior to entry.
2. Acceptable forms of Official Identification include:
 - a. Tags conforming to Animal Identification Number (AIN) system (commonly known as 840 tags).
 - b. USDA metal “silver brite” tags or plastic swine tags belonging to the National Uniform Tagging System (NUES).
 - c. Premises Identification Number (PIN) tags that bear a PIN and individual animal number.
 - d. Ear notches or tattoos (ear or inner flank) if recorded in a purebred registry and accompanied with registration certificates.
3. It is unlawful to remove official identification. Requests to remove an official ID ear tag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the tag. The request must include a photo of the ID, the reason the ID must be removed, and all other official ID ear tags on the animal.
4. No vaccinations are required.

Vesicular Stomatitis (VS)

California import requirements specify that all horses, cattle, sheep, goats and swine originating from any state where vesicular stomatitis (VS) has been diagnosed, (except cattle and swine transported directly to slaughter), or visiting an infected state and then returning to California must be accompanied by a health certificate (certificate of veterinary inspection) and signed by an accredited veterinarian that includes the following statement:

“I have examined all the animals identified on this certificate within seven (7) days of shipment date, and found them to be free from signs of Vesicular Stomatitis (VS). During the last fourteen (14) days, these animals have not been exposed to VS nor located on a VS confirmed or a VS suspected premises.

Exhibitor Code of Practice for Participation in the California State Fair Junior Livestock, Horse, And Small Animal Competitions

As an animal exhibitor in the California State Fair Junior Program:

I believe my participation should demonstrate my own ability, knowledge, and skill as a feeder and fitter of my show animal(s). I understand the need to be responsible for developing the skills necessary to take my animal from the farm to the show ring. I will assist other juniors if asked, or request assistance from other juniors eligible for the Junior Show.

I will follow the competition rules, and will not use abusive, questionable or unethical techniques in the feeding, caring, fitting and showing of my animal(s). I will not resort to fraudulent, illegal or deceptive practices such as filling or when fitting, preparing the animal for show. I also will not allow my parents, supervisor/leader or any other adult or minor to employ such practices to my animal(s).

I have read and understood the rules and regulations found in the competition guide including the Residue Avoidance Program. I have asked that my parents and the supervisor/leader of my project not to break the rules or make an exception on my behalf. I want my animal project to be an example of how to accept what life has to offer - good and bad - and how to live with the outcome.

I realize that I am responsible for:

- The proper care and humane treatment of my animals;
- The production of wholesome food if my exhibit animal is designated for market;
- The development of sound moral character in myself.

I understand and agree that when I, my parents, my supervisor or leader or any other adult or minor connected with my project or animal(s) break the rules, I agree to live by the final decision of Fair Management regarding disqualification of myself and/or my animal, loss of premium awards and my loss of future eligibility, and forfeiture of any award(s).

For those youth who are not participating as an exhibitor but wish to participate in the Champion Challenge, please enter the class which you would like to qualify for and pay the \$10 entry fee. Check the schedule for your written exam time, date and location. To enter this competition simply enter Division 6000.

CLASSES OFFERED

- Class 1 Large Animal Participant
- Class 2 Small Animal Participant
- Class 3 Dairy Participant

Further detailed information, rules, regulations, and procedures will be available at CalExpoStateFair.com. Any inquiry's into this program can be directed to entryoffice@calexpo.com.

This unique, award-winning program is open to any youth exhibitor in the small or large animal livestock competition or any youth that is eligible to compete at the 2025 California State Fair who qualifies by completing a written exam. The competition includes a large animal division encompassing beef, sheep, swine and market goat as well as a small animal division encompassing rabbit, poultry, turkey and egg exhibitors. The dairy division includes Dairy Cattle and Dairy Goats.

The California State Fair has continued to enhance our commitment to the youth livestock program. In an effort to focus on educational benefits and to improve the youth livestock program we have created the Champion Challenge.

The mission of the Champion Challenge is to expand and enhance the educational element of the youth livestock program and to reward those outstanding exhibitors who possess the skills and knowledge essential for the efficient and humane production of livestock in a commercial or seedstock operation in California.

The objectives of the Champion Challenge are to:

1. Evaluate the youth participant's knowledge and skills of his/her project and related industry.
2. Expand on the exhibitors' communication skills.
3. Provide a learning laboratory which will enhance the exhibitor's knowledge of their animal project and related industry.
4. Develop the youth's problem solving and critical thinking skills.
5. Recognize outstanding youth exhibitors who possess the skills and knowledge essential for the efficient and humane production of livestock in a commercial or seedstock operation in California.
6. Promote additional educational opportunities through cash awards.
7. To emphasize the exhibitors' involvement and success in the educational program and focus on the youth exhibitor rather than the animal.
8. To include all eligible youth in the state of California.

For competition purposes, exhibitors will be evaluated on their performance in lab type exercises and exams in the following areas:

- a. Animal Care, Handling, Health, and Quality Assurance
- b. Nutrition
- c. Reproduction and Genetics
- d. Show Preparation, Transportation and Ethics Awareness
- e. Consumer Awareness, Marketing and Food Safety
- f. Animal Identification and Industry Technologies
- g. Environmental Stewardship and Sustainability
- h. Exhibitor Interview

Who Qualifies?

Any California youth that is a recognized junior member, in good standing, in a youth program (4-H, FFA, Grange) or an Independent junior that is eligible to compete in the Junior Livestock (Large Animal, Small Animal or Dairy) Show at the California State Fair is eligible to qualify for the 2025 Champion Challenge Program. All general rules and age requirements shall apply. An exhibitor may only take 1 written exam regardless of the number of species being exhibited.

To qualify the individual must complete a written exam on one of the pre-determined testing dates on the California State Fair facilities and rank in the top percentile determined by management. Once an exhibitor has qualified they must complete the program. If an exhibitor qualifies by written exam but does not complete the Champion Challenge program, they will be in violation of the California State Fair rules and as a result will be disqualified at subsequent California State Fairs. It is the exhibitors' responsibility to check the list to see if they qualified to the next round.

Special Beef Cattle Rules

1. **All exhibitors must read, understand and adhere to the residue avoidance program.**
2. The California State Fair is continuing its residue avoidance testing program and reserves the right to test any animal officially entered in any division at any time without notice, for any foreign substance including but not limited to drugs, chemicals or feed additives.
3. All Females competing in Early Senior Yearling or older classes or any female 20 months of age or older as of July 11, 2025, must meet one of the following criteria to be eligible for competition: 1) Be accompanied by an affidavit from a non-owner licensed veterinarian stating the female

- is safe in calf or, 2) The female must have her “first” natural born calf at side (embryo transfer progeny will not suffice) that is eligible for registry as a purebred with that Breed Association. If necessary, blood typing for parentage verification of calf will be used to determine eligibility. Short-horn calves must have papers and may have other cow requirements.
4. All bulls over 1-year-old must be shown with a nose ring or nose clip. No exceptions.
 5. All females competing in Early Senior Yearling or older classes with a calf at side may be entered in their respective female breed class or respective breed Cow-Calf pair class but may not be entered in both.
 6. Cattle may be tied out at 6:30 p.m. Tie out time will be strictly monitored by management. It is required that neck ropes be used in the tie out areas. All cattle must be returned to the barn by 7:00 a.m. No exceptions.
 7. Junior Livestock Exhibitors in Breeding Beef that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/ animal is entered and meets all Open Division entry deadlines and guidelines.
 8. See Livestock Rules concerning Blocking Chutes, Generators and Port-O-Cools.
 9. **LIMITS:** No limit on the number of head entered. Entries may be limited after the close of entries, based on space available.
 10. This is an Open Junior Show, all Junior exhibitors (4-H, FFA, Grange, and Independents) shall compete together in the same classes.
 11. Juniors must wear whites during competition.
 12. First bedding will not be provided.
 13. Exhibitors that qualify to compete for California State Fair Junior Supreme or Reserve Supreme Cow/Calf, Bull or Female, must participate in the Supreme/ Reserve Supreme Competition. Exhibitors that choose not to participate in Supreme/ Reserve Supreme Champion drive will forfeit all premiums and awards.
 14. Open to California residents only.
 15. NEW: The California Cattle Council will recognize the top three educational displays supporting the beef industry. Exhibits will be judged on advocacy, outreach and engagement. These combined displays will better share the story of cattle while also helping our youth exhibitors become better industry advocates. First Place - \$500, Second Place - \$300, Third Place - \$200. Enter Division 6002 Class 1.

Supreme Champion Cow/Calf

Once the Champion Cow/Calf of each breed has been selected, they will compete for Supreme Champion Cow/Calf.

NOTE: Exhibitors which win Breed Champion honors for cow/calf must show in the Supreme Champion competition or have their awards and premiums withdrawn and future participation restricted.

Exhibitors that qualify for the Supreme Champion Cow/Calf competition may be required to be interviewed by the official Beef Judge, and that interview will be used for final evaluation of the Supreme Champion Cow/Calf.

1. The following additions to judging will be made: Exhibitors will be allowed to prepare one promotional flyer. The flyer should be designed as a promotional piece, marketing the positive traits possessed by the Cow/Calf pair, not general traits about the breed. This flyer shall contain information pertinent to a potential buyer including but not limited to:
 - a. EPD Data
 - b. Breeder information
 - c. Owners information including contact name, address & phone number.
 - d. A narrative explaining strengths and addressing potential objections that could arise from a prospective buyer.
 - e. A photograph
2. Limits on the flyer include size of 8½ x 11 inches printed on one side only.
3. Flyer is due to the Clerk's table prior to the start of the Supreme Drive.
4. The flyer will be evaluated on information contained, design and professionalism.
5. The official judge shall consider the Cow, the Calf and the promotional flyer/interview for evaluation purposes.
6. The exhibitor should be prepared to answer questions pertaining to the exhibitors project.

Exhibitor will be evaluated on knowledge possessed as well as skill response to questions. Exhibitors that do not provide any type of promotional flyer will be disqualified from Supreme Champion competition.

DIVISION 6010: JUNIOR ANGUS

California State Fair Offers \$2,700

The American Angus Association will not offer premiums this year based on the number of the head shown in 2024.

Special Rules and Regulations

1. This show is sanctioned by and held in cooperation with the California Angus Association, PO Box 40, O'Neals, CA 93645 and the American Angus Association, 3201 Frederick Blvd., St. Joseph, MO 64506. The American Angus Association will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of the head shown. The premium assistance provided by the AAA for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expenses and shall be included in the premium payments distributed by the show to the exhibitors. A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation.
2. All Angus must be entered under this division only. They are not eligible for the All Other Breeds Division.
3. The Breed Champion Male and Female and the Reserve Breed Champion Male and Female shall compete for **Supreme Champion** Male and Female and **Reserve Supreme Champion** Male and Female of the Junior Show regardless of the exhibitor's respective organization.
4. Junior Angus Cattle that are entered and shown in this Junior Show may also enter and show in the Open Angus Show provided they 1.) show in the junior show first, and 2.) the exhibitor enters by the open show entry deadline under the open division rules.
5. Any female that qualifies for female classes are not eligible to show in the cow/calf classes. However, the calf at the side of the female is eligible to show in its respective class.

American Angus Association Junior Angus Heifer Show Participation Statement

The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of the head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors. The association will not provide premiums in 2025.

A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.

Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.

To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor, and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums.

The Association does not pay on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check-in.

Only one person at a time shall lead an animal into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at www.angus.org.

Altering the conformation and/or appearance of an animal for the exhibition is prohibited. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally is also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member-owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.

All animals exhibited are subject to DNA marker or blood type test to verify the accuracy of parentage as covered under the Association Rules and for another testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown if there are reasonable grounds to believe a violation has occurred.

Any classes listed in this classification, which exceeds 15 head per class, should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.

Example 1: If 16 heads are entered in class 5, the class should be broken into two classes of 8; a class of 7 and 9; or a class of 10 and 6.

Example 2: If 32 heads are entered in class 5, the class should be divided into three classes consisting of two classes with 11 head and one class of 10 head or similar without putting animals with the same birth date in different classes.

Class breaks will be at the discretion of the AAA staff in attendance.

Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of the head shown - Champion and Reserve Champion placings are not counted in a number of the head shown

DIVISION 6040: JUNIOR SHORTHORN SHOW

California State Fair Offers	\$2,750
California Shorthorn Association Offers	\$ 1,024
Total Premiums Offered	\$3,774

Special Rules

1. This show is held in cooperation with the California Shorthorn Breeders Assn., Amanda McKeith, President and the California Junior Shorthorn Breeders Assn., Russell McKeith, 2107 N Silverdale Ct., Visalia, CA 93291, and the American Shorthorn Association (ASA), Cassie Reid, 7607 NW Prairie View Rd., Kansas City, CA 64151.
2. The California Shorthorn Association will pay additional premiums offered by the California State Fair in classes 2-24, not including champion classes, and not to exceed \$400 total. They will also pay an additional \$100 in premiums for the special "Cow-Calf Class." All California Shorthorn Association premiums will be paid through the offices of the California State Fair.
3. Animals in the junior show may only be in the sole name of the individual junior exhibitor.
4. Any Senior/Junior Yearling female that is 28 months of age or older on or before the date of the show must have a registered purebred natural calf at side and must be shown with such. All females 20 months of age or older on or after the date of the show must have a 60-day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification.
5. The highest placing female and bull owned by a California resident of this division shall compete for the Supreme Champion Awards. Out-of-state juniors are not eligible for these Supreme Champion Awards. Out-of-state juniors are eligible to compete for Open Division Supreme Champion honors when they qualify.
6. All cattle must be purebred and have an original ASA registration paper (no copies or faxes accepted) to be eligible to show. All animals must be registered as the property of the exhibitor in the records of the American

Shorthorn Association. All Junior Shorthorns must be entered under this Division only. They are not eligible for the All Other Breeds Division.

7. Animals in the Shorthorn Junior Show may only be in the sole name of the individual junior exhibitor.
8. The Breed Champion Male and Female and the Reserve Breed Champion Male and Female shall compete for **Supreme Champion** Male and Female and **Reserve Supreme Champion** Male and Female of the Junior Show regardless of the exhibitor’s respective organization.
9. Entry into this show binds the exhibitor to all regulations pertaining thereto.
10. “Green” American Shorthorn Association pedigreed entries may NOT show in the Shorthorn division. CSBA will refuse to contribute premiums if this rule is not followed by the California State Fair.
11. Junior Livestock Exhibitors in Breeding Beef that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/ animal is entered and met all Open Division entry deadlines and guidelines.

California Shorthorn Association offers an Award Jacket.

JUNIOR MARKET STEER

ENTRY FEE: \$20.00 per entry, per class & Entries Close on **June 11, 2025**.

American System of Judging. Ribbons through 5th place.

1. **All exhibitors must read, understand and adhere to the residue avoidance program.**
2. The California State Fair is continuing its residue avoidance testing program and reserves the right to test any animal officially entered in any division at any time without notice, for any substance including but not limited to drugs, chemicals or feed additives.
3. **Weigh-in:** After official weigh-in, steers will be divided into equal classes per division (minimum weight of 1,000 lbs, no maximum weight). Market Steers will have the option of weighing in on the scale.
4. All weight cards must be submitted to the clerk at the scales. Original Brand Inspection papers and/or Bill of Sale must be presented to the weighmaster at official weigh-in/ Breed Classification. See details in the "Fair Cattle Brand Inspection & Movement Requirements" section of this guide.
5. Each Market animal exhibitor must submit at the time of official arrival weigh-in a fully completed and signed Medication Declaration Form for each market animal entered and weighed.
6. Re-Weighing of market animals will only be allowed when the first weight is taken is below the minimum or above the maximum. The exhibitor must state to the Weighmaster immediately after the initial weight that they request a re-weigh. The second weight will be taken immediately following the initial weight, and the animals must be held in view of the weigh master during this time. Second weight shall be final. **No exceptions.**
7. The California State Fair reserves the right to weigh market animals just prior to judging and anytime after judging. **Market animals placing first through third will be weighed back immediately following their market class.** Market animals that have a variance of more than the amounts listed as follows by species shall be disqualified. Maximum allowable weight variance for steers: must be within 5% above or below the official weigh-in weight.
8. For the purpose of enforcing ownership requirements, the California State Fair will require that any and all market steers designated for entry in the 2025 California State Fair must have had a hair sample taken prior

to March 13, 2025. No market steer will be eligible for official entry unless this hair sample has been obtained and an official market steer Registration Form was completed online. The Exhibitor will be responsible for the hair sample collection, and the animal must be ear-tagged by the exhibitor at the time of this DNA collection. All completed Market Steer DNA packets must be in the State Fair office no later than March 13.

9. All market steers are then required to be officially entered by the owner, pay the entry fee and do so by the June 11 deadline. Remember, DNA registration does not complete the entry requirements for market steers. The State Fair must receive an official entry form according to entry deadline requirements.
10. Upon arrival at the California State Fair, all junior market beef animals may be required to have a second sample of hair taken. **The exhibitor and parent/legal guardian and/or leader/advisor must be present when the second hair sample is collected.** From these two samples of hair, a DNA Matching Analysis test may be run to verify that both samples match and confirm the identity of each animal. There will be no deviation from this procedure. Any animal not having hair taken (from either pre-fair or at the Fair or both) will not be allowed to enter the 2025 junior market beef show.
11. As a requirement for entry, **all junior livestock (market, breeding, dairy, and fur & feather) exhibitors** are required to complete the Youth for the Quality Care of Animals (YQCA) Training prior to July 3, 2025 if not taken in 2024.
12. We will be offering Slick and Fitted Divisions. All “Slick” market steers must be slick shorn to within 1/4” of hair growth (no more than 7 days prior to fair). Entire steer must be shorn, optional leg area from knee and hock down to tail switch. No adhesive or paint allowed. Hair sheen can be used. Slick requirements will be checked at the scale.
13. Drench guns are not allowed on California State Fair grounds. Any drench gun found on California State Fair grounds will be confiscated by State Fair staff, and exhibitor/exhibit will be subject to disqualification and/or loss of premiums.
14. **No generators will be allowed to operate within the Livestock Pavilion.** All generators must be operated outside the Pavilion and must be stored out of sight when not in use. There is a \$35 charge per generator permit.
15. Portable electric generators whether owned, rented or borrowed, which are operated by an exhibitor at the California State Fair, must be equipped with Ground Fault Interrupter (G.F.I.) outlets. **No Exceptions.**

16. No gas cans are permitted inside the livestock barns.
17. The following competitions will be offered: Slick 4-H & FFA British Straightbreds , Slick 4-H & FFA All Other Colored Straightbreds and Crossbreds, Slick 4-H & FFA Black Straightbreds and Crossbreds, Fitted 4-H & FFA British Straightbreds , Fitted 4-H & FFA All Other Colored Straightbreds and Crossbreds, Fitted 4-H & FFA Black Straightbreds and Crossbreds. Management reserves the right to combine divisions if entries do not merit its own division. Any division which does not have at least 5 head shown will have their premiums reduced by 50% this year.

- **Junior Red & White Holstein Show**
- **Junior Jersey Show**

The California Exposition & State Fair supports the California Department of Food and Agriculture's (CDFA) January 7th directive regarding the ban on poultry and dairy cattle exhibitions at fairs and shows across the state. We commend the proactive efforts of the State Veterinarian and CDFA to mitigate the risks associated with the H5N1 avian influenza outbreak, which has had a devastating impact on our agricultural industries.

The welfare of animals, exhibitors, and fairgoers is a top priority for Cal Expo. We are taking this situation very seriously and are committed to working closely with CDFA, following their guidance to ensure the California State Fair remains a safe and enjoyable experience for all. We will continue to monitor developments and share updates as the situation evolves.

Special Dairy Cattle Rules

1. **All exhibitors must read, understand and adhere to the residue avoidance program.**
2. The California State Fair is continuing its Residue Avoidance Program and reserves the right to test any animal officially entered in any division at any time without notice, for any substance including but not limited to drugs, chemicals or feed additives.
3. Senior Yearlings that have freshened must be shown as 2-year-olds in both individual and group classes, except for Jerseys.
4. Blocking Chutes do not pertain to Dairy Exhibitors.
5. All Juniors must wear whites during competition. Official 4-H, FFA, and Grange uniforms are required, unless shirts are provided by the Breed Association.

6. This is an Open Junior Show. All Junior exhibitors (4-H, FFA, Grange, and Independents) shall compete in the same classes.
7. Exhibitors that qualify to compete for California State Fair Junior Supreme or Reserve Supreme Female must participate in the Supreme/Reserve Supreme Competition. Exhibitors choosing not to participate in Supreme/Reserve Supreme Champion drive will forfeit all premiums and awards.
8. All Dairy Cattle and Dairy Goat Breed Champion Exhibitors qualify to participate in the Champion Challenge. All Dairy exhibitors may participate in the Champion Challenge Program. Detailed rules and regulations are available in this guide.
9. Junior Livestock Exhibitors in Breeding Beef, Breeding Sheep, Breeding Swine, Dairy Goats, Dairy Cattle, Boer Goats, and Market Gilts that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/animal is entered and meets all Open Division entry guidelines and guidelines. Refer to General Rules, Juniors Entering Junior Livestock Section.
10. Red & White Holsteins entered in the Red & White Holstein Show may also enter in the Junior Livestock Show. Animals must be shown in the Junior Show to be eligible to compete in the open show (entry fee required).
11. As a requirement for entry, **all junior livestock (market, breeding, dairy, and fur & feather) exhibitors** are required to complete the Youth for the Quality Care of Animals (YQCA) Training prior to July 3, 2025 if not taken in 2024.
12. **Generators:** There is a \$35 permit fee for all generators on grounds. Portable electric generators whether owned, rented or borrowed, which are operated by an exhibitor at the California State Fair, must be equipped with Ground Fault Interrupter (G.F.I.) outlets. NO EXCEPTIONS.
13. Dairy Cattle Exhibitors will be allowed to have Port-O-Cools on grounds. Port-O-Cools will require a \$35 permit fee to be on grounds. The \$35 fee will be paid the day of arrival at the Livestock Office. The State Fair reserves the right to limit the number of Port-O-Cools per exhibitor.

HEALTH RULES - CATTLE ENTRIES FROM CALIFORNIA

14. All female dairy cattle four (4) months of age and over must bear evidence of official calfhooD vaccination against brucellosis with a legible, official tattoo visible in the right ear.
15. All dairy cattle need official identification (ID).

16. Acceptable methods for Official Identification of cattle include:
 - a. Brucellosis calfhood vaccination tags
 - b. USDA metal “silver brite” tags
 - c. Tags conforming to Animal Identification Number (AIN) system (commonly known as 840 tags)

HEALTH RULES - CATTLE ENTRIES FROM OTHER STATES

17. It is unlawful to remove official identification. Requests to remove an official ID ear tag must be submitted to CDFA, AHFS or AHFSU in writing at least 72 hours prior to the need to remove the tag. The request must include a photo of the ID, the reason the ID must be removed, and all other official ID ear tags on the animal.
18. Fairs will keep records of the consignor, buyer, and animal identification for five (5) years when animals change ownership in a public sale at the fair.
19. If originating from a designated brucellosis surveillance area, a negative test is required within 30 days prior to entering California.
20. NEW: The California Cattle Council will recognize the top three educational displays supporting the beef industry. Exhibits will be judged on advocacy, outreach and engagement. These combined displays will better share the story of cattle while also helping our youth exhibitors become better industry advocates. First Place - \$500, Second Place - \$300, Third Place - \$200. Enter Division 6002 Class 2.

Show Committee

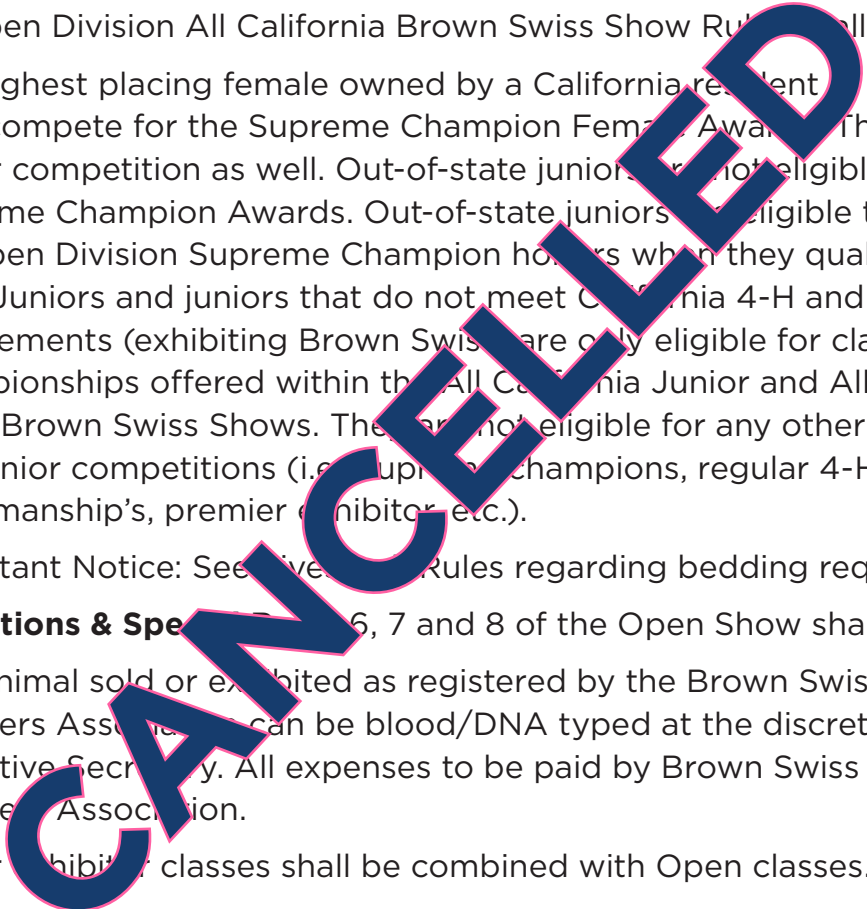

Louis Oliveira, 14253 Lacey Blvd., Hanford, CA 93230

Ken Melvold, 6178 N. Blosser, Fresno, CA 93711

Special Rules

1. This show is recognized by and held in cooperation with the California Brown Swiss Cattle Association.
2. This is an open junior show. All junior exhibitors (4-H, FFA, and Independents) shall compete in the same classes. All other rules apply.
3. For an animal to be exhibited and judged, in all classes the recorded ownership must show in the sole ownership of the exhibitor or partnership comprised of Brown Swiss Junior Members (Adult-Junior partnerships and family farm partnerships are not acceptable). If joint ownership, one of the owners must be declared the exhibitor during check-in. Awards will be presented as one unit, to all owners equally. Animals that are leased through the National Brown Swiss Association Lease Program are also eligible to be shown by juniors. The leased animal's recorded owner will receive open group awards. (This was requested by the National Brown Swiss Association.)
4. The junior member who owns the animal is to show her. If the owner cannot attend the show, another Brown Swiss Association Junior Member may show the animal. Also, in a class where a junior member owns more than one animal, the owner must show one animal; another Brown Swiss Association Junior Member may show the second animal.
5. All Juniors are automatically entered in both the All California Open and All California Junior Brown Swiss Shows when paying the \$25 entry fee per entry per class. This competition is open to out-of-state juniors. Junior exhibitor animals are eligible for open groups classes not offered in the junior show but must enter the appropriate division and class number (pay the \$25 entry fee). Juniors will be eligible for Open premiums excluding Open Production.

6. Shirts will be provided to each junior from the Brown Swiss Cattle Breeder's Association before the show and must be worn by the junior during the show.
7. All Juniors must wear whites during competition. Breed Association provided shirts should be worn with white pants.
8. Junior exhibitor animals must be registered in the name of that junior exhibitor.
9. All Open Division All California Brown Swiss Show Rules shall apply.
10. The highest placing female owned by a California resident in this division shall compete for the Supreme Champion Female Award. This applies to Udder competition as well. Out-of-state juniors are not eligible for these Supreme Champion Awards. Out-of-state juniors are eligible to compete for Open Division Supreme Champion honors when they qualify. Out-of-state Juniors and juniors that do not meet California 4-H and FFA age requirements (exhibiting Brown Swiss are only eligible for classes and championships offered within the All California Junior and All California Open Brown Swiss Shows. They are not eligible for any other State Fair junior competitions (i.e. Supreme champions, regular 4-H and FFA Showmanship's, premier exhibitor etc.).
11. Important Notice: See Live Show Rules regarding bedding requirements.
12. **Definitions & Specifications** 6, 7 and 8 of the Open Show shall apply.
13. Any animal sold or exhibited as registered by the Brown Swiss Cattle Breeders Association can be blood/DNA typed at the discretion of the Executive Secretary. All expenses to be paid by Brown Swiss Cattle Breeder's Association.

DIVISION 6177: THE LEONARD BIANCHI WETHER DAM & WETHER SIRE SHOW

California State Fair offers..... \$3,500 (Premiums)

This show is dedicated in the memory of Mr. Leonard Bianchi of Oakdale, California. Mr. Bianchi spent a lifetime in the pursuit of excellence to the California Sheep Industry, youth development, agriculture education, and the California State Fair.

Special Rules

1. **Weigh-in:** After official weigh-in, wether dams and wether sires will be divided into equal classes. All wether dam and wether sire sheep will come across the official scale. Weight-cards are to be filled out and submitted by the exhibitor prior to 7:30 p.m. deadline.
2. All sheep must be slick shorn within seven (7) days of show day.
3. Re-Weighing of market animals will only be allowed when the first weight is taken is below the minimum or above the maximum. The exhibitor must state to the Weighmaster immediately after the initial weight that they request a re-weigh. The second weight will be taken immediately following the initial weight, and the animals must be held in view of the weigh master during this time. Second weight shall be final.
4. For the purpose of enforcing ownership requirements, the California State Fair will require that all wether dam and wether sire entries must have had a hair sample taken prior to June 11, 2025. No wether dam or sire entries will be eligible for official entry unless this hair sample has been obtained and an official DNA Registration Form was completed. The Exhibitor will be responsible for the hair sample collection. **All completed DNA packets must be in the State Fair office no later than June 11.**
5. At the time of entry all entries must be identified by assigned DNA ear tag and retain that ear tag through the duration of the fair. When entry forms are completed please use the ear tag as identification.
6. Upon arrival at the California State Fair, all junior wether dam and wether sire animals may be required to have a second sample of hair taken. The exhibitor and parent/legal guardian and/or leader/advisor must be present when the second hair sample is collected. From these two samples of hair, a DNA Matching Analysis test may be run to verify that both samples match and confirm the identity of each animal. There will be no deviation from this procedure. Any animal not having hair taken (from either pre-fair or at the Fair or both) will not be allowed to enter the 2025 Leonard Bianchi Wether Dam & Wether Sire show.

7. The Division Champion Ram and Ewe and the Reserve Division Champion Ram and Ewe will compete for the **Supreme Champion** and **Reserve Supreme Champion** Ram and Ewe regardless of the exhibitor's respective organization.
8. Age requirements for this competition are the same as all other divisions within the junior show. Entries will be weighed and classes will be split.
9. Ewes shown in the wether dam show are not eligible to compete in the market lamb show.
10. This is an Open Junior Show. All Junior exhibitors (4-H, FFA, Independent, and Grange) shall compete in the same classes. All other rules apply.
11. Purebred and Crossbred entries will be shown together in one division.

7. Re-Weighing of market animals will only be allowed when the first weight is taken is below the minimum or above the maximum. The exhibitor must state to the Weighmaster immediately after the initial weight that they request a re-weigh. The second weight will be taken immediately following the initial weight, and the animals must be held in view of the weigh master during this time. Second weight shall be final. **No exceptions.**
8. The California State Fair reserves the right to weigh market animals just prior to judging and anytime after judging. **Market animals placing first through third will be weighed back immediately following their market**

class. Market animals that have a variance of more than the amounts listed as follows by specie shall be disqualified. Maximum allowable weight variance for market lambs must be within 5% above or below the official arrival weight at the time of weighing back.

9. For the purpose of enforcing ownership requirements, the California State Fair will require that any and all market lambs designated for entry in the 2025 California State Fair must have had a hair sample taken prior to May 13, 2025. No market lamb will be eligible for official entry unless this hair sample has been obtained and an official market lamb Registration Form was completed online. The Exhibitor will be responsible for the hair sample collection, and the animal must be ear tagged by the exhibitor at the time of this DNA collection. All completed Market Lamb DNA packets must be in the State Fair office no later than May 13.
10. All market lambs are then required to be officially entered by the owner, pay the entry fee and do so by the June 11 deadline. Remember, DNA registration does not complete the entry requirements for market lambs. The State Fair must receive an official entry form according to entry deadline requirements.
11. Upon arrival at the California State Fair, all junior market lamb animals may be required to have a second sample of hair taken. **The exhibitor and parent/legal guardian and/or leader/advisor must be present when the second hair sample is collected.** From these two samples of hair, a DNA Matching Analysis test may be run to verify that both samples match and confirm the identity of each animal. There will be no deviation from this procedure. Any animal not having hair taken (from either pre-fair or at the Fair or both) will not be allowed to enter the 2025 junior market lamb show.
12. As a requirement for entry, **all junior livestock (market, breeding, dairy, and small animal) exhibitors** are required to complete the Youth for the Quality Care of Animals (YQCA) Training prior to July 3, 2025 if not taken in 2024.
13. Drench guns are not allowed on California State Fair grounds. Any drench gun found on California State Fair grounds will be confiscated by State Fair staff and exhibitor/exhibit will be subject to disqualification and/or loss of premiums.
14. If you remove or rearrange a panel in your assigned pens you will be required to return the panels to their original location before a release slip is issued. Failure to do so will result in a \$50 back charge for each panel our staff has to re-install to its original configuration. Barn assignments will be used to back the bill, so make sure if you change locations in the barns

that your show superintendent knows your final location.

15. Animals housed in L2 and L3 during Junior Livestock Week, July 10 - 13 may use shavings instead of straw. Exhibitors must clean their pens and alleyways before obtaining a release.
16. All lambs must have lambs teeth.
17. Castration sites must be healed and free from inflammation.
18. **Special Substitution Rule:** Substitutions may be made between different divisions only if the animal to be substituted has fulfilled the DNA Registration requirements prior to May 13, 2025. All substitutions must be submitted to the sheep clerk by official weigh-in on July 11, 2025.
19. All market lambs eligible to compete in the 2025 California State Fair must be docked such that the tail (dock) is healed and can be lifted from the exterior. Lambs that have been re-docked or have complete tail removal will not be eligible.
20. Ewes entered in these classes are not eligible to compete in breeding classes.
21. No Hot Shots or Sheep Lamb Racks will be allowed on the Fairgrounds. This does not include blocking tables.
22. Astro-turf is acceptable to be used as bedding in the Sheep Barn. Exhibitors are required to clean pens on a daily basis and keep them clean during the duration of the fair. If at any time the pens are not cleaned to an acceptable manner and are compromising the welfare of the animal, management reserves the right to withhold all premiums and/or disqualify exhibitor.
23. The California State Fair has a policy of zero tolerance as it pertains to active sheep fungus. Market lambs that have been diagnosed with “active” sheep fungus or suspicious lesions (diagnosed by approved Veterinarian staff) shall be quarantined by the veterinarian on duty and removed from the Cal Expo grounds. See Sheep Health Rules for details.
24. Dorper market lambs must meet the Western States Dorper Association classification guidelines: updated 9/3/2021.

1. Does must be owned by the exhibitor and be part of a project under the exhibitor's care and management at least 30 consecutive days prior to the fair. For the purpose of enforcing ownership requirements, the California State Fair will require that any and all wether dam doe goats designated for entry in the 2025 California State Fair must have had a hair sample taken prior to June 11, 2025. No wether dam doe will be eligible for official entry unless this hair sample has been obtained and an official wether dam doe goat Registration Form was completed online. The Exhibitor will be responsible for the hair sample collection, and the animal must be ear-tagged by the exhibitor at time of this DNA collection. All completed Wether Dam Doe Goat DNA packets must be in the California State Fair office no later than June 11.
2. All wether dam doe goats are then required to be officially entered by the owner, pay the entry fee and do so by the June 11 deadline. Remember, DNA registration does not complete the entry requirements for wether dam does goats. The State Fair must receive an official entry form according to entry deadline requirements.
3. Upon arrival at the California State Fair, all wether dam doe goats may be required to have a second sample of hair taken. **The exhibitor and parent/legal guardian and/or leader/advisor must be present when the second hair sample is collected.** From these two samples of hair, a DNA Matching Analysis test may be run to verify that both samples match and confirm the identity of each animal. There will be no deviation from this procedure. Any animal not having hair taken (from either pre-fair or at the Fair or both) will not be allowed to enter the 2025 Wether Dam Doe Show.
4. **All exhibitors must read, understand and adhere to the residue avoidance program.**
5. The California State Fair is continuing its Residue Avoidance testing program and reserves the right to test any animal officially entered in any division at any time without notice, for any foreign substance including but not limited to drugs, chemicals or feed additives.

6. **Weigh-in Process:** All wether dam does will come across the official scale. Weight-cards are to be filled out and submitted by the exhibitor prior to 7:00 p.m. deadline.
7. After official weigh-in, does will be divided into classes.
8. All does must have a DNA ear tag in their ear prior to weigh-in.
9. Re-Weighing of animals will only be allowed when the exhibitor requests. The exhibitor must state to the Weighmaster immediately after the initial weight that they request a re-weigh. The second weight will be taken immediately following the initial weight, and the animals must be held in view of the weigh master during this time. Second weight shall be final.
No exceptions.
10. As a requirement for entry, **all junior livestock (market, breeding, dairy, and fur & feather) exhibitors** are required to complete the Youth for the Quality Care of Animals (YQCA) Training prior to July 3, 2025, if not taken in 2024.
11. Please be advised, if you remove or rearrange a panel in your assigned pens you will be required to return the panels to their original location before a release slip is issued. Failure to do so will result in a \$50.00 back charge for each panel our staff has to re-install to its original configuration. Barn assignments will be used to back the bill, so make sure if you change locations in the barns that your show superintendent knows your final location.
12. Injection, drenching or application of any substance per rectum is prohibited. Further, the application of any substance to or near the tail or anus is prohibited.
13. This is a replacement program. All does must resemble the maternal line of a meat goat. Does will be shown as a breeding animal.
14. All does must have milk teeth or yearling teeth.
15. No painting or artificial coloring to change the natural color. Powder is acceptable.
16. Show does will be groomed to exhibitors liking.
17. Structural correctness disqualifications are at the discretion of the judge.
18. Goats shall be free of any health or skin illness.
19. Does may be shown with or without horns. No discrimination without horns.
20. All does will be divided into weight classes. All first and second place does will come back for Division Champion Selection. Division I, II & III Champion & Reserve Champions will compete for Overall Champion and Reserve Champion.
21. Does shown in the market show CANNOT show in Division 6130.

22. All Animals must be exhibited by the exhibitor. The only exception to this rule would be if exhibitor has more than one animal entered in the same class, in which case another junior exhibitor may show the additional entry.
23. NEW: Wether Dam Doe exhibitors will compete in large animal showmanship classes. Enter the respective division and class 4 for Goats.
24. All entry fees are non-refundable. Animals may not be transferred from the market show into this division.
25. This is an Open Junior Show; all Junior exhibitors (4-H, FFA, Grange, and Independents) shall compete together in the same classes.
26. Juniors must wear whites during competition.

DIVISION 6001: HERDSMAN AWARD

To promote a greater interest in the display of livestock, the following awards will be made to 4-H Counties and FFA Chapters for the best display of:

4-H and FFA Beef Cattle

4-H and FFA Dairy Cattle

4-H and FFA Goats

4-H and FFA Dairy Goats

4-H and FFA Sheep

4-H and FFA Swine

Exhibits will be inspected daily and will be scored on the condition and appearance of the animals, the condition of the stalls, pens and aisles, neatness and orderliness of the areas used for tack and equipment, and use of decorations and educational displays.

Awards

1. For each specie, first place will receive a vinyl banner. Winners will be determined by total points and accumulated over the entire show period.
2. The winners (1st Place) of both the 4-H and FFA Herdsman Contest in each specie will have the opportunity to choose where they would like to be stalled the following year. A Stalling Request Form must be completed and herdsman winner specified. Please keep in mind we will do our best to accommodate your desire.
3. All Counties and Chapters to be judged must sign up on the appropriate log in the Livestock Office indicating the location of the respective livestock exhibits on check-in day.

Rules

1. **Special Note: County or Chapter sign must be in clear view, or no points will be awarded.**
2. The State reserves the right to judge all exhibit areas and withhold or deduct premiums from chapters, counties, clubs or individuals not meeting a minimum of 60 point average for each show period.
3. Only one score will be given in these categories at the beginning of the exhibit period. If elements are missing or in disarray points will be deducted from the neatness category on all subsequent days.

BREEDING BEEF SPECIAL AWARDS

Award Recipients should write "Thank you" letters

Western States Angus Auxiliary

Cindy Kinder, Trophy Chairs
1150 East 2600 South
Hagerman, ID 83332

The Western States Angus Auxiliary, 1150 East 2600 South, Hagerman, Idaho 83332, will present an award to the outstanding 4-H Angus exhibitor and/or outstanding FFA Angus exhibitor. The purpose of this award program is to stimulate and promote interest in Angus Cattle and among junior livestock exhibitors. The selection of the winner is based on showing placing of individual animals, placing in showmanship and educational display. The following point system must be followed. Conformation point placing: Grand Champion: 40, Reserve Champion: 30, 1st place: 20, 2nd place: 15, 3rd place: 10. Showmanship: participation: 6. Educational display promoting the Angus breed: 25. If steers and breeding animals are both exhibited, points may be combined to select a winner.

For breeding animals, the animal must be registered with papers. This is open to exhibitors with one or more breeding and/or market animals. Winning the award in previous years shall not exclude an exhibitor from winning again.

For market steers this award should go to the highest placing predominately black steer, **the sire must be Angus.**

It must be kept in mind that the purpose of this award is the promotion of the Angus breed; therefore Angus breeding animals should take precedence over market animals.
